#### **2. Mineral Interests**

A mineral interest severed from the surface ownership remains real estate but may be listed on the tax roles separate from the surface rights. If the owner of the surface rights so requests, severed mineral interests must be separately listed on the tax roles. *State ex rel. Svoboda v. Weiler*, 205 Neb. 799, 290 N.W.2d 456 (1980).

The removal of minerals whether held in solution upon the land or resting in the soil or subsurface, is the removal of a component part of the real estate itself. The severance changes the character of the property, but it remains real estate until detached. *Wheelock & Manning OO Ranches, Inc. v. Heath*, 201 Neb. 835, 272 N.W.2d 768 (1978).

When a mineral interest is conveyed, unless the instrument provides otherwise, an estate in fee simple or a corporeal hereditament separate from the estate in the overlying land is created. *Wheelock & Manning OO Ranches, Inc. v. Heath*, 201 Neb. 835, 272 N.W.2d 768 (1978).

Before severance, interest in oil and gas well is taxable as real property. *Conway v. County of Adams*, 172 Neb. 94, 108 N.W.2d 637 (1961).

In classifying whether a trade fixture should be taxed as personal property, rather than a fixture that should be taxed as real property, where the parcel of land on which the fixture is located is used directly in commercial activities, it is irrelevant whether a taxpayer personally engages in the commercial activities on the land. *Vandenberg v. Butler County Bd. of Equal.*, 281 Neb. 437, 796 N.W.2d 580 (2011).

The three-part test for determining whether an item constitutes a fixture, requiring the court to look at (1) actual annexation to the realty, or something appurtenant thereto, (2) appropriation to use or purpose of that part of the realty with which it is connected, and (3) the intention of the party making the annexation to make the article a permanent accession to the freehold, does not apply to the determination of whether a trade fixture should be classified as a fixture and taxed as real property or a trade fixture and taxed as personal property. *Vandenberg v. Butler County Bd. of Equal.*, 281 Neb. 437, 796 N.W.2d 580 (2011).

**77-112. Actual value, defined.**

Actual value of real property for purposes of taxation means the market value of real property in the ordinary course of trade. Actual value may be determined using professionally accepted mass appraisal methods, including, but not limited to, the (1) sales comparison approach using the guidelines in section 77-1371, (2) income approach, and (3) cost approach. Actual value is the most probable price expressed in terms of money that a property will bring if exposed for sale in the open market, or in an arm's length transaction, between a willing buyer and willing seller, both of whom are knowledgeable concerning all the uses to which the real property is adapted and for which the real property is capable of being used. In analyzing the uses and restrictions applicable to real property, the analysis shall include a consideration of the full description of the physical characteristics of the real property and an identification of the property rights being valued.

**1. Actual value**

Real property sold at auction is sold in the ordinary course of trade within the meaning of this section. In re Estate of Craven, 281 Neb. 122, 794 N.W.2d 406 (2011).

Under this section, actual value of real property for purposes of taxation shall mean the market value of real property in the ordinary course of trade. *Firethorn Invest. v. Lancaster Cty. Bd. of Equal.*, 261 Neb. 231, 622 N.W.2d 605 (2001).

The statutory measure of actual value is not what an individual buyer may be willing to pay for property, but, rather, its market value in the ordinary course of trade. *US Ecology, Inc. v. Boyd Cty. Bd. of Equal.*, 256 Neb. 7, 588 N.W.2d 575 (1999).

Pursuant to subsection (1) of this section, although differing factors may cause the appraised value of property to be less than its actual value, some relationship exists between appraised and actual value such that the appraised value is relevant evidence of at least the minimum value of the land. *First Nat. Bank of York v. Critel*, 251 Neb. 128, 555 N.W.2d 773 (1996).

This section, which specifies factors for determining actual value of real estate for tax purposes, does not require use of all the specified factors, but requires use of applicable statutory factors, individually or in combination, to determine the actual value of real estate for tax purposes; actual value is largely a matter of opinion and without a precise yardstick for determination with complete accuracy. *First Nat. Bank & Trust of Syracuse v. Otoe Cty.*, 233 Neb. 412, 445 N.W.2d 880 (1989).

Nothing in the statute requires the county assessor or county board of equalization to use all of the factors set forth therein. Instead, those officials may use such factors or combination thereof which they determine to be applicable in determining actual value under the state constitution. *Affiliated Foods Co-op v. County of Madison*, 229 Neb. 605, 428 N.W.2d 201 (1988).

Actual value, market value, and fair market value mean exactly the same thing. *Xerox Corp. v. Karnes*, 217 Neb. 728, 350 N.W.2d 566 (1984); *Chudomelka v. Board of Equalization*, 187 Neb. 542, 192 N.W.2d 403 (1971).

Nothing in this section requires the county assessor or county board of equalization to take into account all of the elements of the formula contained therein, but only those determined to be applicable. *Airport Inn v. County Bd. of Equalization*, 215 Neb. 659, 340 N.W.2d 378 (1983).

Board found the actual market value of the property in question to be the same as the purchase price. *Potts v. Board of Equalization*, 213 Neb. 37, 328 N.W.2d 175 (1982); *LaGord Assoc. v. County of Cass*, 209 Neb. 99, 306 N.W.2d 578 (1981).

"Actual value" of a development's common areas is not reflected in the increased value of the adjacent lots where the grant of use privileges to lot owners in the common areas lacks sufficient formality, definition, and duration of creation to constitute valid restrictions on the use of the common areas. For the purposes of taxation, the terms actual value, market value, and fair market value mean exactly the same thing. *Beaver Lake Assn. v. County Board of Equalization*, 210 Neb. 247, 313 N.W.2d 673 (1981).

Items set out by statute as examples to be used in determining value of property subject to taxation are not the only factors which enter into the valuation of property for taxation. *Gradoville v. Board of Equalization*, 207 Neb. 615, 301 N.W.2d 62 (1981); *Nash Finch Co. v. County Board of Equalization*, 191 Neb. 645, 217 N.W.2d 170 (1974); *Hastings Building Co. v. Assessor properly considered all elements of value. *Josten-Wilbert Vault Co. v. Board of Equalization*, 179 Neb. 415, 138 N.W.2d 641 (1965).

Board of Equalization of Chase County*, 176 Neb. 841, 127 N.W.2d 917 (1964); *H/K Company v. Board of Equalization of Lancaster County*, 175 Neb. 268, 121 N.W.2d 382 (1963).

Actual value means value in the market in the ordinary course of trade. *LeDioyt v. County of Keith*, 161 Neb. 615, 74 N.W.2d 455 (1956); *County of Howard v. In tax valuation cases, actual value is largely a matter of opinion and without a precise yardstick for determination with complete accuracy. *Reynolds v. Keith Cty. Bd. of Equal.*, 18 Neb. App. 616, 790 N.W.2d 455 (2010).

The purchase price of property, standing alone, is not conclusive of the actual value of the property for assessment purposes; it is only one factor to be considered in determining actual value. *Reynolds v. Keith Cty. Bd. of Equal.*, 18 Neb. App. 616, 790 N.W.2d 455 (2010).

This section requires the use of applicable statutory factors, individually or in combination, to determine the actual value of real estate for tax purposes. *Cabela's, Inc. v. Cheyenne Cty. Bd. of Equal.*, 8 Neb. App. 582, 597 N.W.2d 623 (1999).

The actual value of real property for purposes of taxation may be determined by using professionally accepted mass appraisal techniques, including, but not limited to (1) comparison with sales of real property of known or recognized value, taking into account location, zoning, and current functional use (comparable sales approach), (2) earning capacity of the real property (income approach), and (3) reproduction cost less depreciation (replacement cost approach). *Forney v. Box Butte Cty. Bd. of Equal.*, 7 Neb. App. 417, 582 N.W.2d 631 (1998).

## **2. Miscellaneous**

Evidence of sale price alone may not be sufficient to overcome the presumption that the board of equalization has valued the property correctly. But where the evidence discloses the circumstances surrounding the sale and shows that it was an arm's length transaction between a seller who was not under the compulsion to sell and a buyer who was not compelled to buy, it should receive strong consideration. *Dowd v. Board of Equalization*, 240 Neb. 437, 482 N.W.2d 583 (1992).

Where the evidence shows the assessed value of property has been determined by a formula in substantial compliance with this section, which has been uniformly and impartially applied, such assessed value will not ordinarily be disturbed on appeal on evidence indicating a mere difference of opinion as to the valuation. *Greenwood Ranch v. Morrill Cty. Bd. of Equal.*, 232 Neb. 114, 439 N.W.2d 760 (1989); *Lexington Building Co., Inc. v. Board of Equalization*, 186 Neb. 821, 187 N.W.2d 94 (1971).

Act held unconstitutional which would establish a method of valuing tangible personal property different from this section. *State ex rel. Meyer v. McNeill*, 185 Neb. 586, 177 N.W.2d 596 (1970).

**77-202. Property taxable; exemptions enumerated.** (1) The following property shall be exempt from property taxes:

(a) Property of the state and its governmental subdivisions to the extent used or being developed for use by the state or governmental subdivision for a public purpose. For purposes of this subdivision:

(i) Property of the state and its governmental subdivisions means (A) property held in fee title by the state or a governmental subdivision or (B) property beneficially owned by the state or a governmental subdivision in that it is used for a public purpose and is being acquired under a lease-purchase agreement, financing lease, or other instrument which provides for transfer of legal title to the property to the state or a governmental subdivision upon payment of all amounts due thereunder. If the property to be beneficially owned by a governmental subdivision has a total acquisition cost that exceeds the threshold amount or will be used as the site of a public building with a total estimated construction cost that exceeds the threshold amount, then such property shall qualify for an exemption under this section only if the question of acquiring such property or constructing such public building has been submitted at a primary, general, or special election held within the governmental subdivision and has been approved by the voters of the governmental subdivision. For purposes of this subdivision, threshold amount means the greater of fifty thousand dollars or six-tenths of one percent of the total actual value of real and personal property of the governmental subdivision that will beneficially own the property as of the end of the governmental subdivision's prior fiscal year; and

(ii) Public purpose means use of the property (A) to provide public services with or without cost to the recipient, including the general operation of government, public education, public safety, transportation, public works, civil and criminal justice, public health and welfare, developments by a public housing authority, parks, culture, recreation, community development, and cemetery purposes, or (B) to carry out the duties and responsibilities conferred by law with or without consideration. Public purpose does not include leasing of property to a private party unless the lease

of the property is at fair market value for a public purpose. Leases of property by a public housing authority to low-income individuals as a place of residence are for the authority's public purpose;

(b) Unleased property of the state or its governmental subdivisions which is not being used or developed for use for a public purpose but upon which a payment in lieu of taxes is paid for public safety, rescue, and emergency services and road or street construction or maintenance services to all governmental units providing such services to the property. Except as provided in Article VIII, section 11, of the Constitution of Nebraska, the payment in lieu of taxes shall be based on the proportionate share of the cost of providing public safety, rescue, or emergency services and road or street construction or maintenance services unless a general policy is adopted by the governing body of the governmental subdivision providing such services which provides for a different method of determining the amount of the payment in lieu of taxes. The governing body may adopt a general policy by ordinance or resolution for determining the amount of payment in lieu of taxes by majority vote after a hearing on the ordinance or resolution. Such ordinance or resolution shall nevertheless result in an equitable contribution for the cost of providing such services to the exempt property;

(c) Property owned by and used exclusively for agricultural and horticultural societies;

(d) Property owned by educational, religious, charitable, or cemetery organizations, or any organization for the exclusive benefit of any such educational, religious, charitable, or cemetery organization, and used exclusively for educational, religious, charitable, or cemetery purposes, when such property is not (i) owned or used for financial gain or profit to either the owner or user, (ii) used for the sale of alcoholic liquors for more than twenty hours per week, or (iii) owned or used by an organization which discriminates in membership or employment based on race, color, or national origin. For purposes of this subdivision, educational organization means (A) an institution operated exclusively for the purpose of offering regular courses with systematic instruction in academic, vocational, or technical subjects or assisting students through services relating to the origination, processing, or guarantying of federally reinsured student loans for higher education or (B) a museum or historical society operated exclusively for the benefit and education of the public. For purposes of this subdivision, charitable organization means an organization operated exclusively for the purpose of the mental, social, or physical benefit of the public or an indefinite number of persons; and

(e) Household goods and personal effects not owned or used for financial gain or profit to either the owner or user.

(2) The increased value of land by reason of shade and ornamental trees planted along the highway shall not be taken into account in the valuation of land.

(3) Tangible personal property which is not depreciable tangible personal property as defined in section 77-119 shall be exempt from property tax.

(4) Motor vehicles required to be registered for operation on the highways of this state shall be exempt from payment of property taxes.

(5) Business and agricultural inventory shall be exempt from the personal property tax. For purposes of this subsection, business inventory includes personal property owned for purposes of leasing or renting such property to others for financial gain only if the personal property is of a type which in the ordinary course of business is leased or rented thirty days or less and may be returned at the option of the lessee or renter at any time and the personal property is of a type which would be considered household goods or personal effects if owned by an individual. All other personal property owned for purposes of leasing or renting such property to others for financial gain shall not be considered business inventory.

(6) Any personal property exempt pursuant to subsection (2) of section 77-4105 or section 77-5209.02 shall be exempt from the personal property tax.

(7) Livestock shall be exempt from the personal property tax.

(8) Any personal property exempt pursuant to the Nebraska Advantage Act shall be exempt from the personal property tax.

(9) Any depreciable tangible personal property used directly in the generation of electricity using wind as the fuel source shall be exempt from the property tax levied on depreciable tangible personal property. Depreciable tangible personal property used directly in the generation of electricity using wind as the fuel source includes, but is not limited to, wind turbines, rotors and blades, towers, trackers, generating equipment, transmission components, substations, supporting structures or racks, inverters, and other system components such as wiring, control systems, switchgears, and generator step-up transformers.

(10) Any tangible personal property that is acquired by a person operating a data center located in this state, that is assembled, engineered, processed, fabricated, manufactured into, attached to, or incorporated into other tangible personal property, both in component form or that of an assembled product, for the purpose of subsequent use at a physical location outside this state by the person operating a data center shall be exempt from the personal property tax. Such exemption extends to keeping, retaining, or exercising any right or power over tangible personal property in this state for the purpose of subsequently transporting it outside this state for use thereafter outside this state. For purposes of this subsection, data center means computers, supporting equipment, and other organized assembly of hardware or software that are designed to centralize the storage, management, or dissemination of data and information, environmentally controlled structures or facilities or interrelated structures or facilities that provide the infrastructure for housing the equipment, such as raised flooring, electricity supply, communication and data lines, Internet access, cooling, security, and fire suppression, and any building housing the foregoing.

The county assessor shall examine the application and recommend either taxable or exempt for the real property or tangible personal property to the county board of equalization on or before February 1 following. Notice that a list of the applications from organizations seeking tax exemption, descriptions of the property, and recommendations of the county assessor are available in the county assessor's office shall be published in a newspaper of general circulation in the county at least ten days prior to consideration of any application by the county board of equalization.

The organization or society shall also file in writing a request with the county board of equalization for a waiver so that the county assessor may consider the application for exemption. The county board of equalization shall grant the waiver upon a finding that good cause exists for the failure to make application on or before December 31. When the waiver is granted, the county assessor shall examine the application and recommend either taxable or exempt for the real property or tangible personal property to the county board of equalization and shall assess a penalty against the property of ten percent of the tax that would have been assessed had the waiver been denied or one hundred dollars, whichever is less, for each calendar month or fraction thereof for which the filing of the exemption application missed the December 31 deadline. The penalty shall be collected and distributed in the same manner as a tax on the property and interest shall be assessed at the rate specified in section 45-104.01, as such rate may from time to time be adjusted by the Legislature, from the date the tax would have been delinquent until paid. **77-202.03. Property taxable; exempt status; period of exemption; change of status; late filing authorized; when; penalty; lien; new applications; reviewed; hearing; procedure; list. (1)**

A properly granted exemption of real or tangible personal property, except real property used for cemetery purposes, provided for in subdivisions (1)(c) and (d) of section 77-202 shall continue for a period of four years if the statement of reaffirmation of exemption required by subsection (2) of this section is filed when due. The four-year period shall begin with years evenly divisible by four.

(2) In each intervening year occurring between application years, the organization or society which filed the granted exemption application for the real or tangible personal property, except real property used for cemetery purposes, shall file a statement of reaffirmation of exemption with the county assessor on or before December 31 of the year preceding the year for which the exemption is sought, on forms prescribed by the Tax Commissioner, certifying that the ownership and use of the exempted property has not changed during the year. Any organization or society which misses the December 31 deadline for filing the statement of reaffirmation of exemption may file the statement of reaffirmation of exemption by June 30. Such filing shall maintain the tax-exempt status of the property without further action by the county and regardless of any previous action by the county board of equalization to deny the exemption due to late filing of the statement of reaffirmation of exemption. Upon any such late filing, the county assessor shall assess a penalty against the property of ten percent of the tax that would have been assessed had the statement of reaffirmation of exemption not been filed or one hundred dollars, whichever is less, for each calendar month or fraction thereof for which the filing of the statement of reaffirmation of exemption is late. The penalty shall be collected and distributed in the same manner as a tax on the property and interest shall be assessed at the rate specified in section 45-104.01, as such rate may from time to time be adjusted by the Legislature, from the date the tax would have been delinquent until paid. The penalty shall also become a lien in the same manner as a tax pursuant to section 77-203.

(3)(a) If any organization or society seeks a tax exemption for any real or tangible personal property acquired on or after January 1 of any year or converted to exempt use on or after January 1 of any year, the organization or society shall make application for exemption on or before July 1 of that year as provided in subsection (1) of section 77-202.01. The procedure for reviewing the application shall be as in sections 77-202.01 to 77-202.05, except that the exempt use shall be determined as of the date of application and the review by the county board of equalization shall be completed by August 15.

(b) If an organization as described in subdivision (1)(c) or (d) of section 77-202 purchases, between July 1 and the levy date, property that has been granted tax exemption and the property continues to be qualified for a property tax exemption, the purchaser shall on or before November 15 make application for exemption as provided in section 77-202.01. The procedure for reviewing the application shall be as in sections 77-202.01 to 77-202.05, and the review by the county board of equalization shall be completed by December 15.

(4) In any year, the county assessor or the county board of equalization may cause a review of any exemption to determine whether the exemption is proper. Such a review may be taken even if the ownership or use of the property has not changed from the date of the allowance of the exemption. If it is determined that a change in an exemption is warranted, the procedure for hearing

set out in section 77-202.02 shall be followed, except that the published notice shall state that the list provided in the county assessor's office only includes those properties being reviewed. If an exemption is denied, the county board of equalization shall place the property on the tax rolls retroactive to January 1 of that year if on the date of the decision of the county board of equalization the property no longer qualifies for an exemption.

The county board of equalization shall give notice of the assessed value of the real property in the same manner as outlined in section 77-1507, and the procedures for filing a protest shall be the same as those in section 77-1502.

When personal property which was exempt becomes taxable because of lost exemption status, the owner or his or her agent has thirty days after the date of denial to file a personal property return with the county assessor. Upon the expiration of the thirty days for filing a personal property return pursuant to this subsection, the county assessor shall proceed to list and value the personal property and apply the penalty pursuant to section 77-1233.04.

(5) During the month of September of each year, the county board of equalization shall cause to be published in a paper of general circulation in the county a list of all real estate in the county exempt from taxation for that year pursuant to subdivisions (1)(c) and (d) of section 77-202. Such list shall be grouped into categories as provided by the Property Tax Administrator. A copy of the list and proof of publication shall be forwarded to the Property Tax Administrator.

The Tax Commissioner or Property Tax Administrator may in his or her discretion intervene in any such appeal pursuant to this section within thirty days after notice by the Tax Equalization and Review Commission that an appeal has been filed pursuant to this section. If the county assessor, Tax Commissioner, or Property Tax Administrator appeals a county board of equalization's final decision granting an exemption from property taxation, the person, corporation, or organization granted such exemption by the county board of equalization shall be made a party to the appeal and shall be issued a notice of the appeal by the Tax Equalization and Review Commission within thirty days after the appeal is filed.

**77-380. Legislative intent.** It is the intent of sections 77-202.03 and 77-379 to 77-385 to provide a mechanism which will enable the Legislature to better determine those sectors of the economy which are receiving indirect subsidies as a result of tax expenditures. The loss of such potential revenue causes a narrowing of the tax base which in turn forces higher tax rates on the remaining tax base.

**77-604. The county assessor shall list or change the valuation of any item of taxable tangible personal property for the current taxing period and the three previous taxing periods or any taxing period included therein.

(6) Whenever valuation changes are made to a personal property return or a personal property return is filed pursuant to this section, the county assessor shall correct the assessment roll and tax list, if necessary, to reflect such changes. Such corrections shall be made for the current taxing period and the three previous taxing periods or any taxing period included therein. (1) The county assessor shall notify the taxpayer, on a form prescribed by the Tax Commissioner, of the action taken, the penalty, and the rate of interest. The notice shall also state the taxpayer's appeal rights and the appeal procedures. Such notice shall be given by first-class mail addressed to such taxpayer's last-known address. failure to report any item of taxable tangible personal property was for the reason that the property was timely reported in the wrong tax district;

(2) The taxpayer may appeal the action of the county assessor, either as to the valuation or the penalties imposed, to the county board of equalization within thirty days after the date of notice. The taxpayer shall preserve his or her appeal by filing a written appeal with the county clerk in the same manner as prescribed for protests in section 77-1502. The action of the county assessor shall become final unless a written appeal is filed within the time prescribed;

(3) The action of the county board of equalization, in an appeal of the penalties imposed, shall be limited to correcting penalties which were wrongly imposed or incorrectly calculated. The county board of equalization shall have no authority to waive or reduce any penalty which was correctly imposed and calculated. The entire penalty and interest on the penalty shall be waived if the omission or failure to report any item of taxable tangible personal property was for the reason that the property was timely reported in the wrong tax district;

(4) Upon ten days' notice to the taxpayer, the county board of equalization shall set a date for hearing the appeal of the taxpayer. The county board of equalization shall make its determination on the appeal within thirty days after the date of hearing. The county clerk shall, within seven days after the determination of the county board, send notice to the taxpayer and the county assessor, on forms prescribed by the Tax Commissioner, of the action of the county board. Appeal may be taken within thirty days after the decision of the county board of equalization to the Tax Equalization and Review Commission; and

(5) Taxes and penalties assessed for the current year, if not delinquent, shall be certified to the county treasurer and collected as if the property had been properly reported for taxation, except that separate tax statements may be mailed. Taxes and penalties assessed for the current year, if delinquent, and taxes and penalties assessed for prior years shall be certified to the county treasurer, and the taxes, penalties, and interest thereon shall be due and collectible immediately upon certification. Collection procedures shall be started immediately regardless of the provisions of any other statute to the contrary.

**77-1245. Taxation of air carriers; assessment; collection; disbursement; allocation to this state; petition to Property Tax Administrator, when.** Any tax upon or measured by the value of flight equipment of air carriers incorporated or doing business in this state shall be assessed, collected by the Property Tax Administrator, and disbursed as provided in section 77-1250. The proportion of flight equipment allocated to this state for purposes of taxation shall be the arithmetical average of the following three ratios: (1) The ratio which the aircraft arrivals and departures within this state scheduled by such air carrier during the preceding calendar year bears to

the total aircraft arrivals and departures within and without this state scheduled by such carrier during the same period, except that in the case of nonscheduled operations all arrivals and departures shall be substituted for scheduled arrivals and departures; (2) the ratio which the revenue tons handled by such air carrier at airports within this state during the preceding calendar year bears to the total revenue tons handled by such carrier at airports within and without this state during the same period; and (3) the ratio which such air carrier's originating revenue within this state for the preceding calendar year bears to the total originating revenue of such carrier within and without this state for the same period.

If allocation in accordance with the provisions of this section does not fairly represent the proportion of flight equipment properly allocable to this state, the taxpayer may petition for, or the Property Tax Administrator may require, the inclusion of one or more additional ratios or the employment of any other method to effectuate an equitable allocation of the taxpayer's flight equipment for purposes of taxation.

(1) Each air carrier, as defined in section 77-1244, shall on or before June 1 in each year make to the Property Tax Administrator a report, in such form as may be prescribed by the Tax Commissioner, containing the information necessary to determine the value of its flight equipment and the proportion allocated to this state for purposes of taxation as provided in section 77-1246. For good cause shown, the Property Tax Administrator may allow an extension of time in which to file such report. Such extension shall not exceed thirty days after June 1.

(2) For each day's failure to furnish the report required by subsection (1) of this section or for each day's failure to furnish the information as required on the report, the air carrier may be assessed a penalty in the amount of one hundred dollars, except that the penalty shall not exceed ten thousand dollars. Such penalty shall be collected by the Tax Commissioner and credited to the Department of Revenue Property Assessment Division Cash Fund. The Tax Commissioner, in his or her discretion, may waive all or part of the penalty provided in this section.

**77-1249. Taxation of air carriers; tax rate; appeal.** The Property Tax Administrator shall, on or before January 15 each year, establish a tax rate for purposes of taxation against the taxable value as

provided in section 77-1248 at a rate which shall be equal to the total property taxes levied in the state divided by the total taxable value of all taxable property in the state as certified pursuant to section 77-1613.01. The date when such tax rate is determined shall be deemed to be the levy date for the property. The Property Tax Administrator shall send to each air carrier a statement showing the taxable value, the tax rate, and the amount of the tax and a statement that the tax is due and payable to the Property Tax Administrator on January 31 next following the levy thereof. If an air carrier feels aggrieved, such carrier may, on or before February 15, file an appeal with the Tax Commissioner. The Tax Commissioner shall act upon the appeal and shall issue a written order mailed to the carrier within seven days after the date of the order. All delinquent taxes shall draw interest from the date they become delinquent at a rate equal to the maximum rate of interest allowed per annum under section 45-104.01, as such rate may from time to time be adjusted by the Legislature, and the interest shall be collected and distributed the same as the tax on which the interest accrues. If such taxes and interest due thereon shall not have been paid on July 1 following the levy thereof, the Tax Commissioner shall collect the same by distress and sale of any property belonging to such delinquent person in like manner as required of county treasurers and county sheriffs in like cases.

Such lien shall be filed and enforced pursuant to the Uniform State Tax Lien Registration and Enforcement Act. The Property Tax Administrator shall remit the tax paid to the State Treasurer, and the tax collected, less a three percent collection fee, shall be distributed to the counties to the credit of the county general fund proportionate to the amount the total property taxes levied in the county bears to the total property taxes levied in the state as a whole, as certified pursuant to section 77-1613.01. While on the date for determining assessed value, the conditions of a use permit had not been carried out, the mere rezoning and issuance of the conditional use permit were sufficient with other factors to justify the reappraisal. *Nash Finch Co. v. Farm lands, for the purpose of taxation, should be valued and assessed at their actual cash value, which is their value in the market in the ordinary course of trade. *Schulz v. Dixon County*, 134 Neb. 549, 279 N.W. 179 (1938).

##### **3. Miscellaneous**

A mineral interest severed from the surface ownership remains real estate but may be listed on the tax roles separate from the surface rights. If the owner of the surface rights so requests, severed mineral interests must be separately listed on the tax roles. *State ex rel. Svoboda v. Weiler*, 205 Neb. 799, 290 N.W.2d 456 (1980).

**77-1327. Legislative intent; Property Tax Administrator; sales file; studies; powers and duties.**

(1) It is the intent of the Legislature that accurate and comprehensive information be developed by the Property Tax Administrator and made accessible to the taxing officials and property owners in order to ensure the uniformity and proportionality of the assessments of real property valuations in the state in accordance with law and to provide the statistical and narrative reports pursuant to section 77-5027.

(2) All transactions of real property for which the statement required in section 76-214 is filed shall be available for development of a sales file by the Property Tax Administrator. All transactions with stated consideration of more than one hundred dollars or upon which more than two dollars and twenty-five cents in documentary stamp taxes are paid shall be considered sales. All sales shall be deemed to be arm's length transactions unless determined to be otherwise under professionally accepted mass appraisal techniques. The Department of Revenue shall not overturn a determination made by a county assessor regarding the qualification of a sale unless the department reviews the sale and determines through the review that the determination made by the county assessor is incorrect.

(3) The Property Tax Administrator annually shall make and issue comprehensive assessment ratio studies of the average level of assessment, the degree of assessment uniformity, and the overall compliance with assessment requirements for each major class of real property subject to the property tax in each county. The comprehensive assessment ratio studies shall be developed in compliance with professionally accepted mass appraisal techniques and shall employ such statistical analysis as deemed appropriate by the Property Tax Administrator, including measures of central tendency and dispersion. The comprehensive assessment ratio studies shall be based upon the sales file as developed in subsection (2) of this section and shall be used by the Property Tax Administrator for the analysis of the level of value and quality of assessment for purposes of section 77-5027 and by the Property Tax Administrator in establishing the adjusted valuations required by section 79-1016. Such studies may also be used by assessing officials in establishing assessed valuations.

(4) For purposes of determining the level of value of agricultural and horticultural land subject to special valuation under sections 77-1343 to 77-1347.01, the Property Tax Administrator shall annually make and issue a comprehensive study developed in compliance with professionally accepted mass appraisal techniques to establish the level of value if in his or her opinion the level of value cannot be developed through the use of the comprehensive assessment ratio studies developed in subsection (3) of this section.

(5) County assessors and other taxing officials shall electronically report data on the assessed valuation and other features of the property assessment process for such periods and in such form and content as the Property Tax Administrator shall deem appropriate. The Property Tax Administrator shall so construct and maintain the system used to collect and analyze the data to enable him or her to make intracounty comparisons of assessed valuation, including school districts and other political subdivisions, as well as intercounty comparisons of assessed valuation, including school districts and other political subdivisions. The Property Tax Administrator shall include analysis of real property sales pursuant to land contracts and similar transfers at the time of execution of the contract or similar transfer.

The real property transactions eligible for inclusion in the sales file are those transactions for which the statement required by section 76-214 is filed. For those transactions initially eligible for inclusion in the sales file, the price to be included in the sales file is the total consideration paid as listed on the statement described in subsection (1) of section 76-214. Section 77-1371 does not pertain to a compilation of a sales file under subsection (2) of this section. *Shaul v. Lang*, 263 Neb. 499, 640 N.W.2d 668 (2002).

**77-1329. Tax maps; county assessor; maintain.** The Property Tax Administrator shall require each county assessor to maintain tax maps in accordance with standards specified by the Property Tax Administrator. Whenever necessary to correct mapping deficiencies, the Property Tax Administrator shall install standard maps or approve mapping plans and supervise map production. The Property Tax Administrator may require the county to reimburse the state for tax maps installed.

**77-1330. Property Tax Administrator and Tax Commissioner; guides for assessors; prepare; issue; failure to implement guide; corrective measures; procedures; cost; payment; State Treasurer; duties; removal of county assessor or deputy from office; appeal.** (1) The Property Tax Administrator and Tax Commissioner shall prepare, issue, and annually revise guides for county assessors in the form of property tax laws, rules, regulations, manuals, and directives. The Property Tax Administrator and Tax Commissioner may issue such directives without the necessity of compliance with the terms of the Administrative Procedure Act relating to the promulgation of rules and regulations. The assessment and appraisal function performed by counties shall comply with the standards, and county assessors shall continually use the materials in the performance of their duties. The standards shall not require the implementation of a specific computer software or hardware system if the existing software or system produces data and reports in compliance with the standards.

(2) The Property Tax Administrator, or his or her agent or representative, may examine or cause to have examined any books, papers, records, or memoranda of any county relating to the assessment of property to determine compliance with the laws, rules, regulations, manuals, and directives described in subsection (1) of this section. Such production of records shall not include the photocopying of records between January 1 and April 1. Failure to provide such records to the Property Tax Administrator may constitute grounds for the suspension of the assessor's certificate of any county assessor who willfully fails to make requested records available to the Property Tax Administrator.

(3) After an examination the Property Tax Administrator shall provide a written report of the results to the county assessor and county board. If the examination indicates a failure to meet the standards contained in the laws, rules, regulations, manuals, and directives, the Property Tax Administrator shall, in the report, set forth the facts and cause of such failures as well as corrective measures the county or county assessor may implement to correct those failures.

(4) After the issuance of the report of the results of the examination, the Property Tax Administrator may seek to order a county or county assessor to take corrective measures to remedy any failure to comply with the materials described in subsection (1) of this section. Such corrective orders may only be issued after written notice and a hearing before the Tax Commissioner conducted at least ten days after the issuance of the written notice of hearing. The performance of such corrective measures shall be implemented by the county to which the order is issued. If the county fails to implement such corrective measures, the Property Tax Administrator may seek to suspend the assessment function of the county under the terms of subsection (5) of this section and shall implement the corrective measures pursuant to subsection (6) of this section. The performance of such corrective measures shall be a charge on the county, and upon completion, the Property Tax

Administrator shall notify the county board of the cost and make demand for such cost. If payment is not received within one hundred twenty days after the start of the next fiscal year, the Tax Commissioner shall report such fact to the State Treasurer. The State Treasurer shall immediately make payment to the Department of Revenue for the costs incurred by the department for such corrective measures. The payment shall be made out of any money to which such county may be entitled under the Compressed Fuel Tax Act, Chapter 77, articles 27 and 35, and sections 66-482 to 66-4,149.

(5) If, within one year from the service of the order, the measures in the corrective order have not been taken, the Tax Commissioner (a) may, at any time during the continuance of such failure, issue an order requiring the county assessor and county board to show cause why the authority of the county with respect to assessments or any matter related thereto should not be suspended, (b) shall set a time and place at which the Tax Commissioner or his or her representative shall hear the county assessor and county board on the question of compliance by the county assessor or county with the laws, rules, regulations, manuals, directives, or corrective orders described in this section, and (c) after such hearing shall determine whether and to what extent the assessment function of the county shall be so suspended. Such hearing shall be held at least ten days after the issuance of such notice in the county.

(6) During the continuance of a suspension pursuant to subsection (5) of this section, the Property Tax Administrator shall succeed to the authority and duties from which the county has been suspended and shall exercise and perform the same. Such exercise and performance shall be a charge on the suspended county. The suspension shall continue until the Tax Commissioner finds that the conditions responsible for the failure to meet the minimum standards contained in the laws, rules, regulations, manuals, and directives have been corrected.

(7) The Property Tax Administrator, subject to rules and regulations to be published and furnished to every county assessor and county board, shall have the power to petition the Tax Commissioner to invalidate the certificate of any assessor or deputy assessor who willfully fails or refuses to diligently perform his or her duties in accordance with the laws, rules, regulations, manuals, and orders issued by the Tax Commissioner governing the assessment of property and the duties of each assessor and deputy assessor. No certificate shall be revoked or suspended except after notice and a hearing before the Tax Commissioner or his or her designee. Such hearing shall be held at least ten days after the issuance of such notice in the county. Prior to revocation, a one-year probationary period, subject to oversight by the Tax Commissioner, shall be imposed. At the end of the one-year probationary period, a second hearing shall be held. If assessment practices have improved, the probationary period shall end and no revocation shall be made. If assessment practices have not improved, the assessor certificate shall be revoked. If during the probationary period, the assessor continues to willfully fail or refuse to diligently perform his or her duties, the Tax Commissioner may immediately hold the second hearing. If the county assessor certificate of a person serving as assessor or deputy assessor is revoked, such person shall be removed from office by the Tax Commissioner, the office shall be declared vacant, and such person shall not be eligible to hold that office for a period of five years after the date of removal. The Tax Commissioner shall mail a copy of his or her written order to the affected party within seven days after the date of the order.

(8) All hearings described in this section shall be governed by the Administrative Procedure Act. Any county aggrieved by a determination of the Tax Commissioner after a hearing pursuant to subsections (4) and (5) of this section or alleging that its suspension is no longer justified or any assessor or deputy assessor whose county assessor certificate has been revoked may appeal within thirty days after the date of the written order of the Tax Commissioner to the Tax Equalization and Review Commission in accordance with section 77-5013.

The guides referred to herein are necessarily no more than guidelines to be employed in arriving at an ultimate assessment against a particular taxable unit which meets the constitutional and statutory requirements that property be taxed uniformly and proportionately, at an amount which does not exceed actual value; the same is true of all things except constitutionally valid property tax laws per se. *Beynon Farm Products v. Bd. of Equalization*, 213 Neb. 815, 331 N.W.2d 531 (1983).

Application of Department of Revenue guidelines for allowance of economic depreciation raises a presumption that the resulting assessment is correct; however, the guidelines must give way to evidence showing that such application will violate the constitutional requirement of uniform and proportionate taxation or the statutory requirement of taxation at actual value. *Farmers Co-op Assn. v. The Property Tax Administrator shall not require the use of specific computer software or hardware if an existing system produces data and reports in compliance with the rules and regulations of the Tax Commissioner.

**77-1333. Rent-restricted housing projects; county assessor; perform income-approach calculation; owner; duties.** (1) The county assessor shall perform an income-approach calculation for all rent-restricted housing projects constructed to allow an allocation of low-income housing tax credits under section 42 of the Internal Revenue Code and approved by the Nebraska Investment Finance Authority when considering the assessed valuation to place on the property for each assessment year. The income-approach calculation shall be consistent with any rules and regulations adopted and promulgated by the Tax Commissioner and shall comply with professionally accepted mass appraisal techniques. Any low-income housing tax credits authorized under section 42 of the Internal Revenue Code that were granted to owners of the project shall not be considered income for purposes of the calculation but may be considered in determining the capitalization rate to be used when capitalizing the income stream. The county assessor, in determining the actual value of any specific property, may consider other methods of determining value that are consistent with professionally accepted mass appraisal methods described in section 77-112.

(2) The owner of a rent-restricted housing project shall file a statement with the county assessor on or before October 1 of each year that details income and expense data for the prior year, a description of any land-use restrictions, and such other information as the county assessor may require.

**77-1339. Joint or cooperative performance of assessment function; two or more counties; agreement; contents; approval by Tax Commissioner.** (1) Any two or more counties may enter into an agreement for joint or cooperative performance of the assessment function.

(2) Such agreement shall provide for:

- (a) The division, merger, or consolidation of administrative functions between or among the parties, or the performance thereof by one county on behalf of all the parties;
- (b) The financing of the joint or cooperative undertaking;
- (c) The rights and responsibilities of the parties with respect to the direction and supervision of work to be performed under the agreement;
- (d) The duration of the agreement and procedures for amendment or termination thereof; and
- (e) Any other necessary or appropriate matters.

(3) The agreement may provide for the suspension of the powers and duties of the office of county assessor in any one or more of the parties.

(4) Unless the agreement provides for the performance of the assessment function by the assessor of one county for and on behalf of all other counties party thereto, the agreement shall prescribe the manner of electing the assessor, and the employees of the office, who shall serve pursuant to the agreement. The appointed assessor shall continue to perform the county assessor's duties until an assessor is elected at the next election.

(5) The Property Tax Administrator shall provide to each county board of a county that transferred the assessment function to the Property Tax Administrator on or before October 1, 2009, a line-item allocation of its total cost of the assessment function for the fiscal year ending June 30, 2009. This allocation of costs shall also identify the costs attributable to those employees that perform duties in more than one county.

(6) Contracts of the Department of Revenue pertaining to the operation of the county assessment function may be assumed by the county.

(7) Counties in which there are employees of the department who provide services to more than one county shall enter into an agreement pursuant to section 77-1339 for the continued performance of the services provided by the employee. No agreement pursuant to section 77-1339 is necessary if one of the counties in which the employee is providing services agrees to retain the employee as a permanent full-time employee.

**77-1343. Agricultural or horticultural land; terms, defined.** The purpose of sections 77-1343 to 77-1347.01 is to provide a special valuation for qualified agricultural or horticultural land so that the current assessed valuation of the land for property tax purposes is the value that the land would have without regard to the value the land would have for other purposes or uses. For purposes of sections 77-1343 to 77-1347.01:

(1) Agricultural or horticultural land means that land as defined in section 77-1359;

(2) Applicant means an owner or lessee;

(3) Lessee means a person leasing agricultural or horticultural land from a state or governmental subdivision which is an owner that is subject to taxation under section 77-202.11;

(4) Owner means an owner of record of agricultural or horticultural land or the purchaser of agricultural or horticultural land under a contract for sale; and

(5) Special valuation means the value that the land would have for agricultural or horticultural purposes or uses without regard to the actual value the land would have for other purposes or uses.

**77-1344. Agricultural or horticultural land; special valuation; when applicable.** (1) Agricultural or horticultural land which has an actual value as defined in section 77-112 reflecting purposes or uses other than agricultural or horticultural purposes or uses shall be assessed as provided in subsection (3) of section 77-201 if the land meets the qualifications of this subsection and an application for such special valuation is filed and approved pursuant to section 77-1345. In order for the land to qualify for special valuation all of the following criteria shall be met: (a) The land is located outside the corporate boundaries of any sanitary and improvement district, city, or village except as provided in subsection (2) of this section; and (b) the land is agricultural or horticultural land.

(2) Special valuation may be applicable to agricultural or horticultural land included within the corporate boundaries of a city or village if the land is subject to a conservation or preservation easement as provided in the Conservation and Preservation Easements Act and the governing body of the city or village approves the agreement creating the easement.

(3) The eligibility of land for the special valuation provisions of this section shall be determined each year as of January 1. If the land so qualified becomes disqualified on or before December 31 of that year, it shall continue to receive the special valuation until January 1 of the year following.

(4) The special valuation placed on such land by the county assessor under this section shall be subject to equalization by the county board of equalization and the Tax Equalization and Review Commission.

**77-1359. Agricultural and horticultural land; legislative findings; terms, defined.** The Legislature finds and declares that agricultural land and horticultural land shall be a separate and distinct class of real property for purposes of assessment. The assessed value of agricultural land and horticultural land shall not be uniform and proportionate with all other real property, but the assessed value shall be uniform and proportionate within the class of agricultural land and horticultural land.

For purposes of this section and section 77-1363:

- (1) Agricultural land and horticultural land means a parcel of land, excluding land associated with a building or enclosed structure located on the parcel, which is primarily used for agricultural or horticultural purposes, including wasteland lying in or adjacent to and in common ownership or management with other agricultural land and horticultural land;
- (2) Agricultural or horticultural purposes means used for the commercial production of any plant or animal product in a raw or unprocessed state that is derived from the science and art of agriculture, aquaculture, or horticulture. Agricultural or horticultural purposes includes the following uses of land:
  - (a) Land retained or protected for future agricultural or horticultural purposes under a conservation easement as provided in the Conservation and Preservation Easements Act except when the parcel or a portion thereof is being used for purposes other than agricultural or horticultural purposes; and
  - (b) Land enrolled in a federal or state program in which payments are received for removing such land from agricultural or horticultural production;
- (3) Farm home site means land contiguous to a farm site which includes an inhabitable residence and improvements used for residential purposes and which is located outside of urban areas or outside a platted and zoned subdivision; and

(4) Farm site means the portion of land contiguous to land actively devoted to agriculture which includes improvements that are agricultural or horticultural in nature, including any uninhabitable or unimproved farm home site.

The inclusion of the term "parcel" requires a county assessor to consider the use of an entire tract of land, including any homesite, to determine whether that property qualifies as agricultural. *Agena v. Lancaster Cty. Bd. of Equal.*, 276 Neb. 851, 758 N.W.2d 363 (2008).

This section does not violate Neb. Const. art. VIII, sec. 1. *Agena v. Lancaster Cty. Bd. of Equal.*, 276 Neb. 851, 758 N.W.2d 363 (2008).

**77-1363. Agricultural and horticultural land; classes and subclasses.** Agricultural land and horticultural land shall be divided into classes and subclasses of real property under section 77-103.01, including, but not limited to, irrigated cropland, dryland cropland, grassland, wasteland, nurseries, feedlots, and orchards, so that the categories reflect uses appropriate for the valuation of such land according to law. Classes shall be inventoried by subclasses of real property based on soil classification standards developed by the Natural Resources Conservation Service of the United States Department of Agriculture as converted into land capability groups by the Property Tax Administrator. County assessors shall utilize soil surveys from the Natural Resources Conservation Service of the United States Department of Agriculture as directed by the Property Tax Administrator. Nothing in this section shall be construed to limit the classes and subclasses of real property that may be used by county assessors or the Tax Equalization and Review Commission to achieve more uniform and proportionate valuations.

A "market area" does not constitute a class or subclass of agricultural land as defined by this section. *Bartlett v. Dawes Cty. Bd. of Equal.*, 259 Neb. 954, 613 N.W.2d 810 (2000).

Neb. Const. art. VIII requires uniform and proportionate assessment within the class of agricultural land; agricultural land is then divided into "categories" such as irrigated cropland, dry cropland, and grassland. *Schmidt v. Thayer Cty. Bd. of Equal.*, 10 Neb. App. 10, 624 N.W.2d 63 (2001).

**77-1371. Comparable sales; use; guidelines.** Comparable sales are recent sales of properties that are similar to the property being assessed in significant physical, functional, and location characteristics and in their contribution to value. When using comparable sales in determining actual value of an individual property under the sales comparison approach provided in section 77-112, the following guidelines shall be considered in determining what constitutes a comparable sale:

(1) Whether the sale was financed by the seller and included any special financing considerations or the value of improvements;

(2) Whether zoning affected the sale price of the property;

(3) For sales of agricultural land or horticultural land as defined in section 77-1359, whether a premium was paid to acquire property. A premium may be paid when proximity or tax consequences cause the buyer to pay more than actual value for agricultural land or horticultural land;

(4) Whether sales or transfers made in connection with foreclosure, bankruptcy, or condemnations, in lieu of foreclosure, or in consideration of other legal actions should be excluded from comparable sales analysis as not reflecting current market value;

(5) Whether sales between family members within the third degree of consanguinity include considerations that fail to reflect current market value;

- (6) Whether sales to or from federal or state agencies or local political subdivisions reflect current market value;
- (7) Whether sales of undivided interests in real property or parcels less than forty acres or sales conveying only a portion of the unit assessed reflect current market value;
- (8) Whether sales or transfers of property in exchange for other real estate, stocks, bonds, or other personal property reflect current market value;
- (9) Whether deeds recorded for transfers of convenience, transfers of title to cemetery lots, mineral rights, and rights of easement reflect current market value;
- (10) Whether sales or transfers of property involving railroads or other public utility corporations reflect current market value;
- (11) Whether sales of property substantially improved subsequent to assessment and prior to sale should be adjusted to reflect current market value or eliminated from such analysis;
- (12) For agricultural land or horticultural land as defined in section 77-1359 which is or has been receiving the special valuation pursuant to sections 77-1343 to 77-1347.01, whether the sale price reflects a value which the land has for purposes or uses other than as agricultural land or horticultural land and therefore does not reflect current market value of other agricultural land or horticultural land;
- (13) Whether sales or transfers of property are in a similar market area and have similar characteristics to the property being assessed; and
- (14) For agricultural land and horticultural land as defined in section 77-1359 which is within a class or subclass of irrigated cropland pursuant to section 77-1363, whether the difference in well capacity or in water availability due to federal, state, or local regulatory actions or limited source affected the sale price of the property. If data on current well capacity or current water availability is not available from a federal, state, or local government entity, this subdivision shall not be used to determine what constitutes a comparable sale.

The Property Tax Administrator may issue guidelines for assessing officials for use in determining what constitutes a comparable sale. Guidelines shall take into account the factors listed in this section and other relevant factors as prescribed by the Property Tax Administrator.

**77-1374. Improvements on leased public lands; assessment; change of ownership; filing required; collection of tax.** Improvements on leased public lands shall be assessed, together with the value of the lease, to the owner of the improvements as real property. On or before March 1, following any construction thereof or any change in the improvements made on or before January 1, the owner of the improvements shall file with the county assessor an assessment application on a form prescribed by the Tax Commissioner. **77-1375. Improvements on leased lands; how assessed; apportionment.** (1) If improvements on leased land are to be assessed separately to the owner of the improvements, the actual value of the real property shall be determined without regard to the fact that the owner of the improvements is not the owner of the land upon which such improvements have been placed.

(2) If the owner of the improvements claims that the value of his or her interest in the real property is reduced by reason of uncertainty in the term of his or her tenancy or because of the prospective termination or expiration of the term, he or she shall serve notice of such claim in writing by mail on the owner of the land before January 1 and shall at the same time serve similar notice on the county assessor, together with his or her affidavit that he or she has served notice on the owner of the land.

(3) If the county assessor finds, on the basis of the evidence submitted, that the claim is valid, he or she shall proceed to apportion the total value of the real property between the owner of the improvements and the owner of the land as their respective interests appear.

(4) The county assessor shall give notice to the parties of his or her findings by mail on or before June 1.

(5) The proportions so established shall continue from year to year unless changed by the county assessor after notice on or before June 1 or a claim is filed by either the owner of the improvements or the owner of the land in accordance with the procedure provided in this section.

The improvements shall be assessed as real property, and the taxes imposed on the improvements shall be collected by levy and sale of the interest of the owner in the same manner as in all other cases of the collection of taxes on real property. When the request is filed by the owner of the leased lands, notice shall be given by the county assessor to the lessee at the address on the request.

**77-1502. Board; protests; report; notification.** (1) The county board of equalization shall meet for the purpose of reviewing and deciding written protests filed pursuant to this section beginning on or after June 1 and ending on or before July 25 of each year. Protests regarding real property shall be signed and filed after the county assessor's completion of the real property assessment roll required by section 77-1315 and on or before June 30. For protests of real property, a protest shall be filed for each parcel. Protests regarding taxable tangible personal property returns filed pursuant to section 77-1229 from January 1 through May 1 shall be signed and filed on or before June 30. The county board in a county with a population of more than one hundred thousand inhabitants based upon the most recent federal decennial census may adopt a resolution to extend the deadline for hearing protests from July 25 to August 10. The resolution must be adopted before July 25 and it will affect the time for hearing protests for that year only. By adopting such resolution, such county waives any right to petition the Tax Equalization and Review Commission for adjustment of a class or subclass of real property under section 77-1504.01 for that year.

(2) Each protest shall be signed and filed with the county clerk of the county where the property is assessed. The protest shall contain or have attached a statement of the reason or reasons why the requested change should be made and a description of the property to which the protest applies. If the property is real property, a description adequate to identify each parcel shall be provided. If the property is tangible personal property, a physical description of the property under protest shall be provided. If the protest does not contain or have attached the statement of the reason or reasons for the protest or the applicable description of the property, the protest shall be dismissed by the county board of equalization.

(3) Beginning January 1, 2014, in counties with a population of at least one hundred fifty thousand inhabitants according to the most recent federal decennial census, for a protest regarding real property, each protester shall be afforded the opportunity to meet in person with the county board of equalization or a referee appointed under section 77-1502.01 to provide information relevant to the protested property value.

(4) No hearing of the county board of equalization on a protest filed under this section shall be held before a single commissioner or supervisor.

(5) The county clerk or county assessor shall prepare a separate report on each protest. The report shall include (a) a description adequate to identify the real property or a physical description of the tangible personal property to which the protest applies, (b) any recommendation of the county assessor for action on the protest, (c) if a referee is used, the recommendation of the referee, (d) the date the county board of equalization heard the protest, (e) the decision made by the county board of equalization, (f) the date of the decision, and (g) the date notice of the decision was mailed to the protester. The report shall contain, or have attached to it, a statement, signed by the chairperson of the county board of equalization, describing the basis upon which the board's decision was made. The report shall have attached to it a copy of that portion of the property record file which substantiates calculation of the protested value unless the county assessor certifies to the county board of equalization that a copy is maintained in either electronic or paper form in his or her office. One copy of the report, if prepared by the county clerk, shall be given to the county assessor on or before August 2. The county assessor shall have no authority to make a change in the assessment rolls until there is in his or her possession a report which has been completed in the manner specified in this section. If the county assessor deems a report submitted by the county clerk incomplete, the county assessor shall return the same to the county clerk for proper preparation.

(6) On or before August 2, or on or before August 18 in a county that has adopted a resolution to extend the deadline for hearing protests, the county clerk shall mail to the protester written notice of the board's decision. The notice shall contain a statement advising the protester that a report of the board's decision is available at the county clerk's or county assessor's office, whichever is appropriate.

**1. Power of county board**

Power of county board of equalization to rectify returns and change assessments is limited to a set number of circumscribed days each year. County board of equalization does not have jurisdiction to decrease the challenged assessed personal property values. County board of equalization is statutorily empowered and authorized to equalize only those assessments of countywide property of which the county has the authority to assess the value. *John Day Co. v. Douglas Cty. Bd. of Equal.*, 243 Neb. 24, 497 N.W.2d 65 (1993).

It is the function of the county board of equalization to determine the actual value of locally assessed property for tax purposes. In carrying out this function, the county board must give effect to the constitutional requirement that taxes be levied uniformly and proportionately upon all taxable property in the county. Individual discrepancies and inequalities within the county must be corrected and equalized by the county board of equalization. *AT&T Information Sys. v. State Bd. of Equal.*, 237 Neb. 591, 467 N.W.2d 55 (1991).

This section provides for equalizing value of real estate of individual taxpayer. *Fromkin v. State*, 158 Neb. 377, 63 N.W.2d 332 (1954).

County board of equalization has no authority to increase the valuation of an assessment of all the real estate in a precinct in the absence of a finding that the valuation of such real estate does not bear a just relation to the valuation of the real estate in all townships, precincts or districts in the county. *Peterson v. Brunzell*, 103 Neb. 250, 170 N.W. 905 (1919).

## **2. Procedures**

Notice to owner of intention to raise valuation is required. *Gamboni v. County of Otoe*, 159 Neb. 417, 67 N.W.2d 489 (1954).

When taxpayer claims that real estate is assessed too high, he should first apply for relief to board of equalization, and, if denied, should appeal to the courts. *Power v. Jones*, 126 Neb. 529, 253 N.W. 867 (1934).

The several owners of different tracts of land may unite in petition for relief. *State ex rel. Mellor v. Grow*, 74 Neb. 850, 105 N.W. 898 (1905).

A decree of court fixing the value of real estate on a previous assessment is not competent evidence in a further suit affecting the assessment value of the property in a subsequent year. *DeVore v. Board of Equalization*, 144 Neb. 351, 13 N.W.2d 451 (1944).

Lands, city and village lots, and personal property are considered as separate classes for equalization. *State ex rel. Lincoln Land Co. v. Edwards*, 31 Neb. 369, 47 N.W. 1048 (1891).

**77-1504.01. Adjustment to class or subclass of real property; procedure.** (1) Unless the county has adopted a resolution to extend the deadline for hearing protests under section 77-1502, after completion of its actions and based upon the hearings conducted pursuant to sections 77-1502 and 77-1504, a county board of equalization may petition the Tax Equalization and Review Commission to consider an adjustment to a class or subclass of real property within the county. Petitions must be filed with the commission on or before July 26.

(2) The commission shall hear and take action on a petition filed by a county board of equalization on or before August 10. Hearings held pursuant to this section may be held by means of videoconference or telephone conference. The burden of proof is on the petitioning county to show that failure to make an adjustment would result in values that are not equitable and in accordance with the law. At the hearing the commission may receive testimony from any interested person.

(3) After a hearing the commission shall, within the powers granted in section 77-5023, enter its order based on evidence presented to it at such hearing and the hearings held pursuant to section 77-5022 for that year. The order shall specify the percentage increase or decrease and the class or subclass of real property affected or any corrections or adjustments to be made to the class or subclass of real property affected. When issuing an order to adjust a class or subclass of real property, the commission may exclude individual properties from that order whose value has already been adjusted by a county board of equalization in the same manner as the commission directs in its order. On or before August 10 of each year, the commission shall send its order by certified mail to the county assessor and by regular mail to the county clerk and chairperson of the county board.

(4) The county assessor shall make the specified changes to each item of property in the county as directed by the order of the commission. In implementing such order, the county assessor shall adjust the values of the class or subclass that is the subject of the order. For properties that have already received an adjustment from the county board of equalization, an additional adjustment may be made so that total adjustments made are equal to the commission's ordered adjustment and no additional adjustment shall be made applying the commission's order, but such an exclusion from the commission's order shall not preclude adjustments to those properties for corrections or

omissions. The county assessor of the county adjusted by an order of the commission shall recertify the abstract of assessment to the Property Tax Administrator on or before August 20.

Pursuant to subsection (2) of section 77-5019, except for orders issued by the Nebraska Tax Equalization and Review Commission pursuant to this section or section 77-5023, the commission is not a proper party to a proceeding for judicial review of an order of the commission. *Widtfeldt v. The Nebraska Court of Appeals did not have jurisdiction under subsection (1) of section 77-5019 to hear county's appeal of a claim brought pursuant to this section because the claim was not a decision appealed to the Nebraska Tax Equalization and Review Commission and was not brought pursuant to section 77-5028. *Boone Cty. The county board of equalization shall give notice of the assessed value of the real property to the record owner or agent at his or her last-known address. For real property which has been omitted in the current year, the county board of equalization shall not send notice pursuant to this section on or before June 1.

The county board of equalization shall issue its decision on the protest within thirty days after the filing of the protest.

(2) The county clerk shall, within seven days after the board's final decision, send:

(a) For protested action, a notification to the protester of the board's final action advising the protester that a report of the board's final decision is available at the county clerk's or county assessor's office, whichever is appropriate; and

A copy of the report shall be available for public inspection in the office of the county clerk.

(3) The action of the county board of equalization upon a protest filed pursuant to this section may be appealed to the Tax Equalization and Review Commission within thirty days after the board's final decision.

(4) Improvements to real property which were properly reported to the county assessor pursuant to section 77-1318.01 for the current year and were not added to the assessment roll by the county assessor on or before March 19 shall only be added to the assessment roll by the county board of

#### 1. Rebuttable presumption

There is a presumption that a board of equalization has faithfully performed its official duties in making an assessment and has acted upon sufficient competent evidence to justify its action. That presumption remains until there is competent evidence to the contrary presented, and the presumption disappears when there is competent evidence on appeal to the contrary. From that point forward, the reasonableness of the valuation fixed by the board of equalization becomes one of fact based upon all the evidence presented. The burden of showing such valuation to be unreasonable rests upon the taxpayer on appeal from the action of the board. *Ideal Basic Indus. v. Nuckolls Cty. Bd. of Equal.*, 231 Neb. 653, 437 N.W.2d 501 (1989).

#### 2. Right of appeal

A taxpayer who has not first filed a protest with the county board of equalization may not appeal to the district court a claimed overassessment of his or her own property. *JEMCO, Inc. v. Board of Equal. of Box Butte Cty.*, 242 Neb. 361, 495 N.W.2d 44 (1993).

One aggrieved by the action of a county board of equalization may appeal to the district court pursuant to this section. A taxpayer who fails to pursue this remedy may not object to the valuation of his separate property for taxation purposes, and a collateral attack may not be made thereon unless the assessment is void, willfully discriminatory, or the result of fraud. *AT&T Information Sys. v. State Bd. of Equal.*, 237 Neb. 591, 467 N.W.2d 55 (1991).

An appeal from a decision by a county board of equalization is authorized by this section and controlled by section 77-1511. *Nebraska State Bar Found. v. Lancaster Cty. Bd. of Equal.*, 237 Neb. 1, 465 N.W.2d 111 (1991).

A property owner's exclusive remedy for relief from overvaluation of property for tax purposes is by protest to the county board of equalization, and appeal therefrom to the district court. *Olson v. County of Dakota*, 224 Neb. 516, 398 N.W.2d 727 (1987); *Power v. Jones*, 126 Neb. 529, 253 N.W. 867 (1934).

#### 3. Appellate procedures

Section 77-1502 and this section do not control a taxpayer's appeal from a decision of a county board of equalization to the Tax Equalization and Review Commission when a county assessor changes a taxpayer's reported valuation of personal property to conform to net book value. *Prime Alliance Bank v. Lincoln Cty. Bd. of Equal.*, 283 Neb. 732, 811 N.W.2d 690 (2012).

The assignee of certain interests in ethanol manufacturing equipment had 30 days from the date of the decision under section 77-1233.06(4), and not until the August 24 deadline under this section, to appeal to the Tax Equalization and Review Commission from a county board of equalization's decision in a case where the assignor had filed a personal

property return with the value of zero dollars for the equipment and had not filed a protest of the valuation. *Republic Bank v. Lincoln Cty. Bd. of Equal.*, 283 Neb. 721, 811 N.W.2d 682 (2012).

The Tax Equalization and Review Commission's jurisdiction is limited to those appeals filed within the statutory 30-day period, and it does not have the authority to adopt the mailbox rule or the doctrine of unique circumstances because such rules and doctrines would expand its jurisdiction beyond what the Legislature provided in this section. *Falotico v. Grant Cty. Bd. of Equal.*, 262 Neb. 292, 631 N.W.2d 492 (2001).

In an appeal made pursuant to this section, it is the responsibility of the taxpayer to file in the district court a transcript of the proceedings held before the county board of equalization. No proceedings on appeal to the district court shall be held in the absence of the transcript of the proceedings held before the county board of equalization. *Future Motels, Inc. v. Custer Cty. Bd. of Equal.*, 247 Neb. 436, 527 N.W.2d 861 (1995).

County of Sherman*, 193 Neb. 95, 225 N.W.2d 855 (1975).

Procedure for appeal is that prescribed for an appeal from a judgment of a justice of the peace to the district court. *Nebraska Conf. Assn. Seventh Day Adventists v. County of Hall*, 166 Neb. 588, 90 N.W.2d 50 (1958).

Taxpayer having direct interest must give notice of appeal within twenty days, and one having indirect interest must give notice within ten days. *Sommerville v. Board of Commissioners of Douglas County*, 117 Neb. 507, 221 N.W. 433 (1928).

To perfect an appeal to the Tax Equalization and Review Commission, one must file his or her notice of appeal within 30 days of a board of equalization's final order. *Washington Cty. Bd. of Equal. v. Rushmore Borglum*, 11 Neb. App. 377, 650 N.W.2d 504 (2002).

#### **4. Standard of review**

On appeal to the Supreme Court, an equity case involving an action by a county board of equalization is a trial of factual questions de novo on the record, requiring the Supreme Court to reach a conclusion independent of the findings of the trial court. *Ideal Basic Indus. v. Nuckolls Cty. Bd. of Equal.*, 231 Neb. 653, 437 N.W.2d 501 (1989).

#### **5. Equitable remedies**

Resort cannot be had to injunction when appeal will afford plain and direct remedy at law. *Radium Hospital v. Greenleaf*, 118 Neb. 136, 223 N.W. 667 (1929).

Suit in equity will not lie to correct assessment as appeal affords remedy for excessive valuation. *Hahn System v. Stroud*, 109 Neb. 181, 190 N.W. 572 (1922); *Western Union Tel. Co. v. Douglas County*, 76 Neb. 666, 107 N.W. 985 (1906).

Mandamus will not lie to correct errors of board of equalization. *State ex rel. Mickey v. Drexel*, 75 Neb. 751, 107 N.W. 110 (1906).

**77-1510.01. Board; powers; costs and fees.** After the Tax Equalization and Review Commission obtains exclusive jurisdiction of an appeal from a decision, order, determination, or action of a county board of equalization pursuant to section 77-5013, the board shall have no power or authority to compromise, settle, or otherwise change the decision, order, determination, or action it has taken. The board may, with approval of the Tax Equalization and Review Commission, offer to confess judgment for part of the value claimed or part of the causes involved in the action. If (1) the appellant is present and refuses to accept such confession of judgment in full of the appellant's demands against the board in such action or the appellant fails to attend having had reasonable notice that the offer would be made, its terms, and the time of making it and (2) at hearing the appellant does not obtain more relief than was offered to be confessed, the appellant shall pay all the costs and fees the board incurred after making the offer. The offer shall not be deemed to be an admission of the cause of action or relief to which the appellant is entitled, and the offer shall not be given in evidence at the hearing.

The county board shall designate a county official to mail or otherwise deliver a statement of the amount of taxes due and a notice that special assessments are due, to the last-known address of the person, firm, association, or corporation against whom such taxes or special assessments are assessed or to the lending institution or other party responsible for paying such taxes or special assessments. Such statement shall clearly indicate, for each political subdivision, the levy rate and the amount of taxes due as the result of principal or interest payments on bonds issued by the political subdivision and shall show such rate and amount separate from any other levy. Beginning with tax year 2000, when taxes on real property are delinquent for a prior year, the county treasurer shall indicate this information on the current year tax statement in bold letters. The information provided shall inform the taxpayer that delinquent taxes and interest are due for the prior year or years and shall indicate the specific year or years for which such taxes and interest remain unpaid. The language shall read "Back Taxes and Interest Due For", followed by numbers to indicate each year for which back taxes and interest are due. Failure to receive such statement or notice shall not relieve the taxpayer from any liability to pay such taxes or special assessments and any interest or penalties accrued thereon. In any county in which a city of the metropolitan class is located, all statements of taxes shall also include notice that special assessments for cutting weeds, removing litter, and demolishing buildings are due.

(2) Notice that special assessments are due shall not be required for special assessments levied by sanitary and improvement districts organized under Chapter 31, article 7, except that such notice may be provided by the county at the discretion of the county board or by the sanitary and improvement district with the approval of the county board.

(3) A statement of the amount of taxes due and a notice that special assessments are due shall not be required to be mailed or otherwise delivered pursuant to subsection (1) of this section if the total amount of the taxes and special assessments due is less than two dollars. Failure to receive the statement or notice shall not relieve the taxpayer from any liability to pay the taxes or special assessments but shall relieve the taxpayer from any liability for interest or penalties. Taxes and special assessments of less than two dollars shall be added to the amount of taxes and special assessments due in subsequent years and shall not be considered delinquent until the total amount is two dollars or more.

Such distress warrants shall bear an endorsement of the sheriff showing that (1) the taxes therein described have been collected, (2) upon diligent search no property could be found on which to levy, or (3) the delinquent taxpayer has

filed an affidavit with the sheriff before making of return of such distress warrant that such taxpayer is unable by reason of poverty to pay such tax and the sheriff shall certify that the property, if any, of the delinquent taxpayer is not worth in value the cost of advertising such property for sale.

Collection of taxes, personal; report of sheriff; county treasurer; verify; false return; notice; hearing; finding; penalty.** On or before October 1 of each year, the county treasurer shall verify this report to the county board, and shall make an itemized report covering the amount uncollected. Such itemized report shall include the number of the distress warrant, the name and address of the taxpayer, the amount involved, and the reason for failure to collect same, or the failure of the sheriff to make a legal return on same. If such report of the county treasurer to the county board shows any false return by the sheriff, or failure to make legal return, the county board shall direct the sheriff to appear at a public hearing at a time to be fixed by such board. Notice of the hearing shall be given to the sheriff at least ten days prior thereto. At such hearing, the board shall hear evidence and make its findings as to whether there has been willful neglect of duty on the part of the sheriff. If the board shall find that there has not been willful neglect of duty it shall enter an order finding that the sheriff should be absolved from any liability for failure to collect such distress warrants. If the board shall find there has been willful neglect of duty, it shall cause proceedings to be instituted under sections 23-2001 to 23-2009 to remove such sheriff from office. Failure of the sheriff to comply with the requirements of sections 77-1719 and 77-1719.01 shall be prima facie evidence of willful neglect of duty and willful maladministration in office. Pursuant to section 77-1704.02, the county treasurer may accept the partial payment and hold such amounts until the accumulated payments are sufficient to pay the full amount of the delinquency for one year and any interest, penalties, or other charges due to the delinquency. Such sheriff shall serve and return it in the same manner in all respects as though it had originated in his county, except that the return thereof shall be made to the sheriff of the originating county on or before June 1 next following its issuance. When the officer has more than one warrant in his or her hands for service, he or she shall charge only for the mileage actually and necessarily traveled in serving all of the warrants, in which case the mileage so charged shall be prorated among such warrants. Commission shall be allowed in addition on all taxes collected by distress and sale as follows: On all sums not exceeding one hundred dollars, ten cents on each dollar; and on all sums exceeding one hundred dollars, eight cents on each dollar. All fees, mileage, and commissions shall be taxed to the parties against whom the distress warrants run and shall be collected as the original tax. When the taxes are not collected by distress and sale, the mileage shall be paid as provided in section 33-117. When mileage has been paid as provided in section 33-117 and the tax, together with all fees, mileage, and commission are collected, then the amount collected as mileage shall be paid to the county treasurer with the fees and commission and credited by the county treasurer to the general fund of the county.

**77-1735. Illegal or unconstitutional tax paid; claim for refund; procedure.** (1) Except as provided in subsection (2) of this section, if a person makes a payment to any county or other political subdivision of any property tax or any payment in lieu of tax with respect to property and claims the tax or any part thereof is illegal or unconstitutional for any reason other than the valuation or equalization of the property, he or she may, at any time within thirty days after such payment, make a written claim for refund of the payment from the county treasurer to whom paid. The county treasurer shall immediately forward the claim to the county board. If the payment is not refunded within ninety days thereafter, the claimant may sue the county board for the amount so claimed. Upon the trial, if it is determined that such tax or any part thereof was illegal or unconstitutional, judgment shall be rendered therefor and such judgment shall be collected in the manner prescribed in section 77-1736.06. If the tax so claimed to be illegal or unconstitutional was not collected for all political subdivisions in a consolidated tax district and if a suit is brought to recover the tax paid or a part thereof, the plaintiff in such action shall join as defendants in a single suit as many of the political subdivisions as he or she seeks recovery from by stating in the petition a claim against each such political subdivision as a separate cause of action. For purposes of this section, illegal shall mean a tax levied for an unauthorized purpose or as a result of fraudulent conduct on the part of the taxing officials. A person shall not be entitled to a refund pursuant to this section of any property tax paid or any payment in lieu of tax unless the person has filed a claim with the county treasurer or prevailed in an action against the county. If a county refuses to make a refund, a person shall not be entitled to a refund unless he or she prevails in an action against the county on such claim even if another person has successfully challenged a similar tax or payment.

Upon approval of the claim by the Tax Commissioner or a court of competent jurisdiction, the Tax Commissioner shall certify the amount of the refund to the county treasurer to whom this tax was paid or distributed. The refund shall be made in the manner prescribed in section 77-1736.06.

(1) Within thirty days of the entry of a final nonappealable order, an unprotested determination of a county assessor, an unappealed decision of a county board of equalization, or other final action requiring a refund of real or personal property taxes paid or, for property valued by the state, within thirty days of a recertification of value by the Property Tax Administrator pursuant to section 77-1775 or 77-1775.01, the county assessor shall determine the amount of refund due the person entitled to the refund, certify that amount to the county treasurer, and send a copy of such certification to the person entitled to the refund. Within thirty days from the date the county assessor certifies the amount of the refund, the county treasurer shall notify each political subdivision, including any school district receiving a distribution pursuant to section 79-1073 or 79-1073.01 and any land bank receiving real property taxes pursuant to subdivision (3)(a) of section 19-5211, of its respective share of the refund, except that for any political subdivision whose share of the refund is two hundred dollars or less, the county board may waive this notice requirement. The county treasurer shall pay the refund from funds in his or her possession belonging to any political subdivision, including any school district receiving a distribution pursuant to section 79-1073 or 79-1073.01 and any land bank receiving real property taxes pursuant to subdivision (3)(a) of section 19-5211, which received any part of the tax or penalty being refunded. The certification by a political subdivision declaring a hardship shall be binding upon the county treasurer;

(2) The refund of a tax or penalty or the receipt for the registration of a claim made or issued pursuant to this section shall be satisfied in full as soon as practicable and in no event later than five years from the date the final order or other action approving a refund is entered. If a receipt for the registration of a claim is given:

(a) Such receipt shall be applied to satisfy any tax levied or assessed by that political subdivision next falling due from the person holding the receipt after the sixth next succeeding levy is made on behalf of the political subdivision following the final order or other action approving the refund; and

(b) To the extent the amount of such receipt exceeds the amount of such tax liability, the unsatisfied balance of the receipt shall be paid and satisfied within the five-year period prescribed in this subdivision from a combination of a credit against taxes anticipated to be due to the political subdivision during such period and cash payment from any funds expected to accrue to the political subdivision pursuant to a written plan to be filed by the political subdivision with the county treasurer no later than thirty days after the claim against the political subdivision is first reduced by operation of a credit against taxes due to such political subdivision.

If a political subdivision fails to fully satisfy the refund or claim prior to the sixth next succeeding levy following the entry of a final nonappealable order or other action approving a refund, interest shall accrue on the unpaid balance commencing on the sixth next succeeding levy following such entry or action at the rate set forth in section 45-103;

(3) The county treasurer shall mail the refund or the receipt by first-class mail, postage prepaid, to the last-known address of the person entitled thereto. Multiple refunds to the same person may be combined into one refund or credit. If a refund is not claimed by June 1 of the year following the year of mailing, the refund shall be canceled and the resultant amount credited to the various funds originally charged;

(4) When the refund involves property valued by the state, the Tax Commissioner shall be authorized to negotiate a settlement of the amount of the refund or claim due pursuant to this section on behalf of the political subdivision from which such refund or claim is due. Any political subdivision which does not agree with the settlement terms as negotiated may reject such terms, and the refund or claim due from the political subdivision then shall be satisfied as set forth in this section as if no such negotiation had occurred;

(5) In the event that the Legislature appropriates state funds to be disbursed for the purposes of satisfying all or any portion of any refund or claim, the Tax Commissioner shall order the county treasurer to disburse such refund amounts directly to the persons entitled to the refund in partial or total satisfaction of such persons' claims. The county treasurer shall disburse such amounts within forty-five days after receipt thereof; and

(6) If all or any portion of the refund is reduced by way of settlement or forgiveness by the person entitled to the refund, the proportionate amount of the refund that was paid by an appropriation of state funds shall be reimbursed by the county treasurer to the State Treasurer within forty-five days after receipt of the settlement agreement or receipt of the forgiven refund. The amount so reimbursed shall be credited to the General Fund.

The claim shall set forth the amount of the overpayment and the reasons therefor.

(2) The Tax Commissioner may approve or disapprove the claim in whole or part without a hearing. The Tax Commissioner shall grant a hearing prior to taking any action on a claim for refund or credit if requested in writing by the taxpayer when the claim is filed or prior to any action being taken on the claim by the Tax Commissioner. If an appeal results in a lower value, only the taxpayer who is a party to the appeal shall be entitled to a refund.

**77-1784. Electronic filings; electronic fund transfers; required; when; penalty; disclosure to taxpayer.** (1) The Tax Commissioner may accept electronic filing of applications, returns, and any other document required to be filed with the Tax Commissioner.

(2) The Tax Commissioner may use electronic fund transfers to collect any taxes, fees, or other amounts required to be paid to or collected by the Tax Commissioner or to pay any refunds of such amounts.

(3) The Tax Commissioner may adopt rules and regulations to establish the criteria for acceptability of filing documents and making payments electronically. The criteria may include requirements for electronic signatures, the type of tax for which electronic filings or payments will be accepted, the method of transfer, or minimum amounts which may be transferred. The Tax Commissioner may refuse to accept any electronic filings or payments that do not meet the criteria established.

(4) The Tax Commissioner may require the use of electronic fund transfers for any taxes, fees, or amounts required to be paid to or collected by the Tax Commissioner for any taxpayer who made payments exceeding five thousand dollars for a tax program in any prior year for that tax program. The penalty provided by this section shall be in addition to all other penalties and applies even if payment by some other method is timely made. The Tax Commissioner may waive the penalty provided in this section upon a showing of good cause.

(6) The use of electronic filing of documents and electronic fund transfers shall not change the rights of any party from the rights such party would have if a different method of filing or payment were used. Until criteria for electronic signatures are adopted under subsection (3) of this section, the document produced during the electronic filing of a taxpayer's information with the state shall be prima facie evidence for all purposes that the taxpayer's signature accompanied the taxpayer's information in the electronic transmission.

(7) For tax returns due on or after January 1, 2010, the Tax Commissioner may require any person that aids, procures, advises, or assists in the preparation of and files any tax return on behalf of any taxpayer for profit to file an electronic return if the person filed twenty-five or more tax returns in the prior calendar year. The requirement to require electronic filing may be phased in as deemed necessary by the Tax Commissioner.

Any person that files a tax return on behalf of a taxpayer must disclose in writing to the taxpayer that the return will be filed in an electronic format and in accordance with rules and regulations prescribed by the Tax Commissioner.

(8) Any person who fails to file an electronic return as required under subsection (7) of this section shall be subject to a penalty of one hundred dollars for each return that was not properly filed in addition to other penalties provided by law. The Tax Commissioner may waive the penalty provided in this section upon a showing of good cause.

(9) The Legislature hereby finds and determines that the development of a comprehensive electronic filing and payment system for all state tax programs and fees administered by the Department of Revenue is of critical importance to the State of Nebraska. It is the intent of the Legislature that the department implement a mandatory electronic filing system for all state tax programs and fees administered by the department as deemed practicable and necessary for the proper administration of the Nebraska Revenue Act of 1967. It is the intent of the Legislature that the department require the use of electronic fund transfers for any taxes, fees, or amounts required to be paid to or collected by the department as deemed practicable and necessary for the proper administration of the Nebraska Revenue Act of 1967.

#### **77-1807. Real property taxes; delinquent tax sale; how conducted; sale of part; bid by land bank; effect.** (1)(a) This subsection applies until January 1, 2015.

(b) Except as otherwise provided in subdivision (c) of this subsection, the person who offers to pay the amount of taxes due on any real property for the smallest portion of the same shall be the purchaser, and when such person designates the smallest portion of the real property for which he or she will pay the amount of taxes assessed against any such property, the portion thus designated shall be considered an undivided portion.

(c) If a land bank gives an automatically accepted bid for the real property pursuant to section 19-5217, the land bank shall be the purchaser, regardless of the bid of any other person.

(d) If no person bids for a less quantity than the whole and no land bank has given an automatically accepted bid pursuant to section 19-5217, the treasurer may sell any real property to any one who will take the whole and pay the taxes and charges thereon.

(e) If the homestead is listed separately as a homestead, it shall be sold only for the taxes delinquent thereon.

(2)(a) This subsection applies beginning January 1, 2015.

(b) If a land bank gives an automatically accepted bid for real property pursuant to section 19-5217, the land bank shall be the purchaser and no public or private auction shall be held under sections 77-1801 to 77-1863.

(c) If no land bank has given an automatically accepted bid pursuant to section 19-5217, the person who offers to pay the amount of taxes, delinquent interest, and costs due on any real property shall be the purchaser.

(d) The county treasurer shall announce bidding rules at the beginning of the public auction, and such rules shall apply to all bidders throughout the public auction.

(e) The sale, if conducted in a round-robin format, shall be conducted in the following manner:

(i) At the commencement of the sale, a count shall be taken of the number of registered bidders present who want to be eligible to purchase property. Each registered bidder shall only be counted once. If additional registered bidders appear at the sale after the commencement of a round, such registered bidders shall have the opportunity to participate at the end of the next following round, if any, as provided in subdivision (v) of this subdivision;

(ii) Sequentially enumerated tickets shall be placed in a receptacle. The number of tickets in the receptacle for the first round shall equal the count taken in subdivision (i) of this subdivision, and the number of tickets in the receptacle for each subsequent round shall equal the number of the count taken in subdivision (i) of this subdivision plus additional registered bidders as provided in subdivision (v) of this subdivision;

(iii) In a manner determined by the county treasurer, tickets shall be selected from the receptacle by hand for each registered bidder whereby each ticket has an equal chance of being selected. Tickets shall be selected until there are no tickets remaining in the receptacle;

(iv) The number on the ticket selected for a registered bidder shall represent the order in which a registered bidder may purchase property consisting of one parcel subject to sale from the list per round; and

(v) If property listed remains unsold at the end of a round, a new round shall commence until all property listed is either sold or, if any property listed remains unsold, each registered bidder has

consecutively passed on the opportunity to make a purchase. Registered bidders who are not present when it is their turn to purchase property shall be considered to have passed on the opportunity to make a purchase. At the beginning of the second and any subsequent rounds, the county treasurer shall inquire whether there are additional registered bidders. If additional registered bidders are present, tickets for each such bidder shall be placed in a receptacle and selected as provided in subdivisions (ii) through (iv) of this subdivision. The second and any subsequent rounds shall proceed in the same manner and purchase order as the last preceding round, except that any additional registered bidders shall be given the opportunity to purchase at the end of the round in the order designated on their ticket.

(f) Any property remaining unsold upon completion of the public auction shall be sold at a private sale pursuant to section 77-1814.

(g) A bidder shall (i) register with the county treasurer prior to participating in the sale, (ii) provide proof that it maintains a registered agent for service of process with the Secretary of State if the bidder is a foreign corporation, and (iii) pay a twenty-five-dollar registration fee. The fee is not refundable upon redemption.

#### **1. Presumption of validity**

Holder of tax sale certificate is relieved of the necessity, in the first instance, of proving that every requirement of the statute has been followed to establish that property is subject to the lien of his certificate. *City of Scottsbluff v. Kennedy*, 141 Neb. 728, 4 N.W.2d 878 (1942).

Sale certificate and receipts are prima facie evidence of validity of taxes. *Wales v. Warren*, 66 Neb. 455, 92 N.W. 590 (1902).

Legal presumption of validity of taxes and regularity of sale is raised by sale of land for delinquent taxes. *Darr v. Berquist*, 63 Neb. 713, 89 N.W. 256 (1902).

Burden of showing irregularities is upon party asserting same. *Darr v. Wisner*, 63 Neb. 305, 88 N.W. 518 (1901).

Tax certificate is sufficient to establish prima facie existence of a lien in some amount. *Merrill v. Van Camp*, 1 Neb. Unof. 462, 96 N.W. 344 (1901).

#### **2. Lien**

Provisions by which taxes are declared to be a perpetual lien are for the exclusive benefit of the state and the different agencies thereof. *Gibson v. Peterson*, 118 Neb. 218, 224 N.W. 272 (1929); *Alexander v. Shaffer*, 38 Neb. 812, 57 N.W. 541 (1894).

Tax lien is ordinarily extinguished by payment, but exception to rule is where holder of sale certificate pays subsequent delinquent taxes. *Toy v. McHugh*, 62 Neb. 820, 87 N.W. 1059 (1901).

Purchaser has lien for all legal taxes paid by him, with interest and costs. *Medland v. Connell*, 57 Neb. 10, 77 N.W. 437 (1898).

#### **4. Subrogation**

Certificate, barred upon void levy, gives no lien on property, but payment of subsequent valid taxes by holder in good faith, entitles him to subrogation to rights of public to lien. *John v. Connell*, 61 Neb. 267, 85 N.W. 82 (1901).

Purchaser in good faith is entitled to subrogation to all rights of public to lien. *Leavitt v. Bartholomew*, 1 Neb. Unof. 756, 93 N.W. 856 (1901).

Sheriff's deeds are specially covered by this statute and, unlike the provisions for tax certificates, there is no section establishing a presumption regarding service, as is true in the case of a treasurer's deed. *Brown v. Glebe*, 213 Neb. 318, 328 N.W.2d 786 (1983).

Procedure for foreclosure of tax liens, except as otherwise provided by tax foreclosure act, is the same as in the foreclosure of real estate mortgages. *Madison County v. School Dist. No. 2*, 148 Neb. 218, 27 N.W.2d 172 (1947).

In the foreclosure of tax lien, final confirmation of sale cannot be had until two years shall have expired from date of sale. *County of Douglas v. Christensen*, 144 Neb. 899, 15 N.W.2d 53 (1944).

**77-1902. Tax sale certificate; tax deed; right of holder to foreclosure; action in district court; limitation period.** When land has been sold for delinquent taxes and a tax sale certificate or tax deed has been issued, the holder of such tax sale certificate or tax deed may, instead of demanding a deed or, if a deed has been issued, by surrendering the same in court, proceed in the district court of the county in which the land is situated to foreclose the lien for taxes represented by the tax sale certificate or tax deed and all subsequent tax liens thereon, excluding any lien on real estate for special assessments levied by any sanitary and improvement district which special assessments have not been previously offered for sale by the county treasurer, in the same manner and with like effect as in the foreclosure of a real estate mortgage, except as otherwise specifically provided by sections 77-1903 to 77-1917. Such action shall only be brought within nine months after the expiration of three years from the date of sale of any real estate for taxes or special assessments.

**77-1912. Foreclosure proceedings; sheriff's sale; political subdivision as purchaser; postponement of sale; notice.** (1) The sheriff shall sell the real property in the same manner provided by law for a sale on execution and shall at once pay the proceeds thereof to the clerk of the district court. Any governmental subdivision of the state, municipal corporation, or drainage or irrigation district to which any part of the taxes included in the decree of foreclosure is due may purchase any real property sold at sheriff's sale. The provisions of the law for the protection of the purchasers at tax sales shall apply to purchasers at foreclosure sales provided for in this section. The sheriff or officer conducting the sale shall not be entitled to any commission on the money received and paid out on foreclosure sales provided for herein.

(2) The sheriff or officer conducting the sale may, for any cause he or she deems expedient, postpone the sale of all or any portion of the real property from time to time until it is completed, and in every such case, notice of postponement shall be given by public declaration thereof by the sheriff or officer at the time and place last appointed for the sale. The public declaration of the notice of postponement shall include the new date, time, and place of sale. The sheriff is required to collect the entire price bid at the judicial sale, not merely a percentage thereof. *Buffalo County v. Kizzier*, 250 Neb. 247, 548 N.W.2d 753 (1996).

As a general rule, property which is susceptible of being sold at a foreclosure sale in separate tracts should, if practicable, be sold in parcels, rather than as an entirety. It is within the discretion of the trial court to provide in a decree of foreclosure for the sale of property en masse, and such a sale will be sustained absent a showing of prejudice. Where the record does not show that the judgment debtor requested that the land be sold in separate tracts, he is not entitled as a matter of right to have the sale set aside because the land was sold en masse. *County of Dakota v. Mallett*, 235 Neb. 82, 453 N.W.2d 594 (1990).

Interest on money received by sheriff on bids at tax foreclosure sale belongs to beneficial owners of fund and not to clerk of district court. *Bordy v. Smith*, 150 Neb. 272, 34 N.W.2d 331 (1948).

**77-1913. Foreclosure proceedings; examination by court; order for sheriff's deed; certificate of tax sale for subsequent taxes.** The court shall, after the expiration of the time provided in section 77-1903 and on the motion of the plaintiff, examine the proceedings and, if they are found to be correct and if the subsequent taxes have been paid to date, in case the purchaser is not a land reutilization authority or a governmental subdivision of the state, a municipal corporation or an irrigation or drainage district interested in the distribution of the proceeds of the foreclosure sale, make and enter an order of confirmation of the sale, shall direct the disposition of the proceeds of the sale and order the sheriff to make and deliver to the purchasers, without further cost to them, a sheriff's deed for any real estate not redeemed; *Provided*, if a private purchaser at any sale held by the sheriff in tax foreclosure proceedings shall fail to pay the subsequent taxes levied and assessed against the property under foreclosure, any governmental subdivision of the state, municipal corporation or drainage or irrigation district, interested in the distribution of the proceeds of the foreclosure sale, may apply for and have issued to it a certificate of tax sale covering such subsequent taxes in the manner provided by sections 77-1809 and 77-1810, and, upon production of such certificate in the court conducting said foreclosure proceedings, such court may thereupon order confirmation of such foreclosure sale, notwithstanding the private purchaser has failed to pay the subsequent taxes levied and assessed against the property.

Subsequent taxes that a purchaser at a sheriff's sale in the foreclosure of a tax certificate is required to pay before confirmation of the sale are limited to those levied and assessed on the property under foreclosure, i.e., taxes assessed and levied after commencement of the foreclosure proceeding. "Subsequent taxes" within the meaning of this section do not include taxes, whether general taxes or special assessments, that were assessed and levied prior to the commencement of the foreclosure proceeding. *INA Group v. Young*, 271 Neb. 956, 716 N.W.2d 733 (2006).

When there is no evidence that others are willing to pay more, a judicial sale will not be set aside on account of mere inadequacy of price, unless such inadequacy is so gross as to make it appear that it was the result of fraud or mistake, or to shock the conscience of the court. The district court must determine by unrestricted means whether at the sheriff's sale the price bid is adequate or whether at a subsequent sale more would be realized, and this court will not overturn its determination absent an abuse of discretion. *County of Dakota v. Mallett*, 235 Neb. 82, 453 N.W.2d 594 (1990).

Substantially increased offers made in open court before confirmation of sale are sufficient to authorize district court to deny confirmation and order a new sale. *County of Gage v. Beatrice Neb. Water Co.*, 147 Neb. 236, 22 N.W.2d 696 (1946).

Title to land acquired by tax foreclosure in Nebraska was subject to attack in Missouri federal district court on jurisdictional grounds. *Duke v. Durfee*, 308 F.2d 209 (8th Cir. 1962).

**77-1914. Foreclosure proceedings; confirmation of sale; release of real property.** Upon confirmation of the sale, the clerk of the district court shall certify to the county treasurer the year or years of the taxes for which the real property was sold. The county treasurer shall thereupon cancel the taxes for such years, and the proceedings shall operate as a release of such real property from all liens for the taxes included on the real property. The delivery of the sheriff's deed shall pass title to the purchaser free and clear of all liens and interests of all persons who were parties to the proceedings, who received service of process, and over whom the court had jurisdiction, excluding any lien on real estate for special assessments levied by any sanitary and improvement district which special assessments have not been previously offered for sale by the county treasurer.

**77-1915. Foreclosure proceedings; proceeds of sale; disposition.** From the proceeds of the sale of any real property, the costs charged thereto shall first be paid. When the plaintiff is a private person, firm, or corporation, the balance thereof, or so much thereof as is necessary, shall be paid to the plaintiff. When the plaintiff is a governmental subdivision other than a land bank, or is a municipal corporation or drainage or irrigation district, the balance thereof, or so much thereof as is necessary, shall be paid to the county treasurer for distribution to the various governmental subdivisions, municipal corporations, or drainage or irrigation districts entitled thereto in discharge of all claims, excluding any lien on real estate for special assessments levied by any sanitary and improvement district which special assessments have not been previously offered for sale by the county treasurer. When the plaintiff is a land bank, the balance thereof, or so much thereof as is necessary, shall be paid to the land bank.

**77-1916. Foreclosure proceedings; surplus proceeds; disposition; prorating.** If a surplus remains after satisfying all costs and taxes against any particular item of real property, the excess shall be applied in the manner provided by law for the disposition of the surplus in the foreclosure of mortgages on real property. If the proceeds are insufficient to pay the costs and all the taxes, when the plaintiff is a governmental subdivision other than a land bank or is a municipal corporation or a drainage or irrigation district, the amount remaining shall be prorated among the governmental subdivisions, municipal corporations, and drainage or irrigation districts in the proportion of their interest in the decree of foreclosure. The proceeds of the sale of one item of real property shall not be applied to the discharge of a lien for taxes against another item of real property except when so directed by the decree for foreclosure under the circumstances set forth in section 77-1910. The lien on real estate for special assessments levied by any sanitary and improvement district shall not be entitled to any surplus unless such special assessments have been previously offered for sale by the county treasurer.

**77-1917. Foreclosure proceedings; redemption; subsequent taxes paid; conditions.** (1) Any person entitled to redeem real property may do so at any time prior to the institution of foreclosure proceedings by paying the county treasurer for the use of such holder of a tax sale certificate or his or her heirs or assigns the sum mentioned in his or her certificate, with interest thereon at the rate specified in section 45-104.01, as such rate may from time to time be adjusted by the Legislature, from the date of purchase to the date of redemption, together with all other taxes subsequently paid, whether for any year or years previous or subsequent to the sale, and interest thereon at the same rate from the date of such payment to the date of redemption.

(2) Any person entitled to redeem real property may do so at any time after the decree of foreclosure and before the final confirmation of the sale by paying to the clerk of the district court the amount found due against the property, with interest and costs to the date of redemption and, in addition thereto, when the real property has been sold at sheriff's sale to a purchaser other than the plaintiff, any subsequent taxes paid by such purchaser, as shown by tax receipts filed by such purchaser with the clerk of the district court, with interest at the rate specified in section 45-104.01, as such rate may from time to time be adjusted by the Legislature, from the date or dates of payment of such taxes, and also interest on the purchase price at the same rate, for the use of the purchaser, from the date of sale to the date of redemption. During the pendency of a foreclosure action any person entitled to redeem any lot or parcel may do so by paying to the court the amount due with interest and costs, including attorney's fees, provided for in section 77-1909, if requested in the

foreclosure complaint. Within thirty days after receipt of payment of all amounts due, the holder of the tax sale certificate shall dismiss its claim in the foreclosure proceeding with respect to any redeemed tax sale certificate. The holder of the tax sale certificate shall be required to provide the county treasurer with written notice that a foreclosure suit has been instituted and provide the county treasurer with an affidavit setting forth the costs incurred in the foreclosure action and indicating whether attorney's fees were requested in the foreclosure complaint.

(3) The person redeeming any lot or parcel shall be required to provide the county treasurer with an appropriate receipt evidencing the payment to the court of the amount due with interest and costs and the holder of the tax sale certificate shall file with the county treasurer notice of its dismissal of the claim in the foreclosure proceeding.

**77-1917.01. Delinquent special assessments; effect; foreclosure proceedings.** All cities, villages and sanitary and improvement districts in Nebraska shall have a lien upon real estate within their boundaries for all special assessments due thereon to the municipal corporation or district, which lien shall be inferior only to general taxes levied by the state and its political subdivisions. When such special assessments have become delinquent, without the real property against which they are assessed being first offered at tax sale by the tax sale certificate method or otherwise, the municipal corporation or district involved may itself as party plaintiff proceed in the district court of the county in which the real estate is situated to foreclose, in its own name, the lien for such delinquent special assessments in the same manner and with like effect as in the foreclosure of a real estate mortgage, except as otherwise specifically provided by sections 77-1903 to 77-1917, which shall govern when applicable. Final confirmation of sale in such foreclosure proceeding and issuance of deed to the plaintiff, or its assignee, cannot be had until two years have expired from the date of the sale held by the sheriff, and, after expiration of such two-year period, personal notice has been served on occupants of the real property. The remedy granted in this section to cities, villages and sanitary and improvement districts for the collection of delinquent special assessments shall be cumulative and in addition to other existing methods.

Sanitary & Improvement Dist. #222 v. Metropolitan Life Ins. Co., 201 Neb. 10, 266 N.W.2d 73 (1978).

**77-1918. Delinquent taxes; annual report by county treasurer; duty of county board; duty of county attorney; fees; failure to perform duty; penalty; removal, when.** On or before October 1 of each year, the county treasurer shall make a report in writing to the county board setting out a complete list of all real property in the county on which any taxes are delinquent and which was not sold for want of bidders at the last annual tax sale held in such county. It shall be the duty of the county board, at its first meeting held after the making of such report, to carefully examine the same, and while it may direct the issuance of tax sale certificates to the county upon any real property upon which there are any delinquent taxes, it shall, as to all real property upon which taxes are delinquent for three or more years, either enter an order directing the foreclosure of the lien of such taxes as provided in section 77-1901 or enter an order for the county treasurer to issue tax sale certificates to the county covering the delinquent taxes upon such real property, to be foreclosed upon in the manner and at the time provided in sections 77-1901 to 77-1918.

The county board shall have authority to direct the county attorney to commence foreclosure of such liens or certificates or it may designate another attorney to commence such actions, and the county board is authorized to pay any reasonable fee for such foreclosures to be assessed as costs. In the event the county attorney is designated to bring the action, the fee shall be fifty dollars for each cause of action in addition to his or her salary to be retained by him or her, but it shall not be paid to the county attorney until the decree is entered and the property sold pursuant to such decree. No fee shall be allowed the county attorney for such foreclosures in counties having a population of more than one hundred thousand inhabitants.

Any county treasurer, county attorney, or member of the county board who willfully fails, neglects, or refuses to perform the duties imposed by such sections shall be guilty of official misdemeanor and subject to removal from office as provided in sections 23-2001 to 23-2009. If the county board fails to dismiss the county attorney for failure to foreclose liens, the county board shall be removed. Any member of a county board who, upon a motion duly made by one member of such board to remove a county attorney from office who has failed to foreclose liens, does not vote for such motion or any member who votes to retain a county attorney in office after it has been brought to the board's attention that he or she has failed to foreclose liens shall be subject to removal from office as provided in sections 23-2001 to 23-2009.

(8) Counties may levy or authorize a maximum levy of fifty cents per one hundred dollars of taxable valuation of property subject to the levy, except that five cents per one hundred dollars of taxable valuation of property subject to the levy may only be levied to provide financing for the county's share of revenue required under an agreement or agreements executed pursuant to the Interlocal Cooperation Act or the Joint Public Agency Act. The maximum levy shall include amounts levied to pay for sums to support a library pursuant to section 51-201 or museum pursuant to section 51-501. The county may allocate up to fifteen cents of its authority to other political subdivisions subject to allocation of property tax authority under subsection (1) of section 77-3443 and not specifically covered in this section to levy taxes as authorized by law which do not collectively exceed fifteen cents per one hundred dollars of taxable valuation on any parcel or item of taxable property. If an allocation by a county would cause another county to exceed its levy authority under this section, the second county may exceed the levy authority in order to levy the amount allocated. Property tax levies for costs of reassumption of the assessment function pursuant to section 77-1340 or 77-1340.04 are not included in the levy limits established in this subsection for fiscal years 2010-11 through 2013-14.

(11) The limitations on tax levies provided in this section are to include all other general or special levies provided by law. Notwithstanding other provisions of law, the only exceptions to the limits in this section are those provided by or authorized by sections 77-3442 to 77-3444.

(12) Tax levies in excess of the limitations in this section shall be considered unauthorized levies under section 77-1606 unless approved under section 77-3444.

Because the levy authorized under subsection (2)(b) of this section benefits all taxpayers in a learning community, which is the relevant taxing district, subsection (2)(b) does not violate the constitutional prohibition in Neb. Const. art. VIII, sec. 4, against a commutation of taxes. *Sarpy Cty. Farm Bureau v. Learning Community*, 283 Neb. 212, 808 N.W.2d 598 (2012).

Because the levy authorized under subsection (2)(b) of this section is uniform throughout the entire learning community, which is the relevant taxing district, subsection (2)(b) does not violate the uniformity clause in Neb. Const. art. VIII, sec. 1. *Sarpy Cty. Farm Bureau v. Learning Community*, 283 Neb. 212, 808 N.W.2d 598 (2012).

Subsection (2)(b) of this section was enacted for substantially local purposes, and therefore it does not violate the prohibition in Neb. Const. art. VIII, sec. 1A, against a property tax for a state purpose. *Sarpy Cty. Farm Bureau v. Learning Community*, 283 Neb. 212, 808 N.W.2d 598 (2012).

**77-3443. Other political subdivisions; levy limit; levy request; governing body; duties; allocation of levy.** (1) All political subdivisions, other than (a) school districts, community colleges, natural resources districts, educational service units, cities, villages, counties, municipal counties, and sanitary and improvement districts and (b) political subdivisions subject to municipal allocation under subsection (2) of this section, may levy taxes as authorized by law which are authorized by the county board of the county or the council of a municipal county in which the greatest portion of the valuation is located, which are counted in the county or municipal county levy limit provided in

section 77-3442, and which do not collectively total more than fifteen cents per one hundred dollars of taxable valuation on any parcel or item of taxable property for all governments for which allocations are made by the municipality, county, or municipal county, except that such limitation shall not apply to property tax levies for preexisting lease-purchase contracts approved prior to July 1, 1998, for bonded indebtedness approved according to law and secured by a levy on property, and for payments by a public airport to retire interest-free loans from the Department of Aeronautics in lieu of bonded indebtedness at a lower cost to the public airport. The county board or council shall review and approve or disapprove the levy request of all political subdivisions subject to this subsection. The county board or council may approve all or a portion of the levy request and may approve a levy request that would allow the requesting political subdivision to levy a tax at a levy greater than that permitted by law. The county board of a county or the council of a municipal county which contains a transit authority created pursuant to section 14-1803 shall allocate no less than three cents per one hundred dollars of taxable property within the city or municipal county subject to the levy to the transit authority if requested by such authority. For any political subdivision subject to this subsection that receives taxes from more than one county or municipal county, the levy shall be allocated only by the county or municipal county in which the greatest portion of the valuation is located. The county board of equalization shall certify all levies by October 15 to insure that the taxes levied by political subdivisions subject to this subsection do not exceed the allowable limit for any parcel or item of taxable property. The levy allocated by the county or municipal county may be exceeded as provided in section 77-3444.

(2) All city airport authorities established under the Cities Airport Authorities Act, community redevelopment authorities established under the Community Development Law, transit authorities established under the Transit Authority Law, and offstreet parking districts established under the Offstreet Parking District Act may be allocated property taxes as authorized by law which are authorized by the city, village, or municipal county and are counted in the city or village levy limit or municipal county levy limit provided by section 77-3442, except that such limitation shall not apply to property tax levies for preexisting lease-purchase contracts approved prior to July 1, 1998, for bonded indebtedness approved according to law and secured by a levy on property, and for payments by a public airport to retire interest-free loans from the Department of Aeronautics in lieu of bonded indebtedness at a lower cost to the public airport. For offstreet parking districts established under the Offstreet Parking District Act, the tax shall be counted in the allocation by the city proportionately, by dividing the total taxable valuation of the taxable property within the district by the total taxable valuation of the taxable property within the city multiplied by the levy of the district. The city council of a city which has created a transit authority pursuant to section 14-1803 or the council of a municipal county which contains a transit authority shall allocate no less than three cents per one hundred dollars of taxable property subject to the levy to the transit authority if requested by such authority. The city council, village board, or council shall review and approve or disapprove the levy request of the political subdivisions subject to this subsection. The city council, village board, or council may approve all or a portion of the levy request and may approve a levy request that would allow a levy greater than that permitted by law. The levy allocated by the municipality or municipal county may be exceeded as provided in section 77-3444.

(3) On or before August 1, all political subdivisions subject to county, municipal, or municipal county levy authority under this section shall submit a preliminary request for levy allocation to the county board, city council, village board, or council that is responsible for levying such taxes. The preliminary request of the political subdivision shall be in the form of a resolution adopted by a majority vote of members present of the political subdivision's governing body. The failure of a political subdivision to make a preliminary request shall preclude such political subdivision from using procedures set forth in section 77-3444 to exceed the final levy allocation as determined in subsection (4) of this section.

(4) Each county board, city council, village board, or council shall (a) adopt a resolution by a majority vote of members present which determines a final allocation of levy authority to its political subdivisions and (b) forward a copy of such resolution to the chairperson of the governing body of each of its political subdivisions. No final levy allocation shall be changed after September 1 except by agreement between both the county board, city council, village board, or council which determined the amount of the final levy allocation and the governing body of the political subdivision whose final levy allocation is at issue.

**77-3444. Authority to exceed maximum levy; procedure.** (1) A political subdivision, other than a Class I school district, may exceed the limits provided in section 77-3442 or a final levy allocation determination as provided in section 77-3443 by an amount not to exceed a maximum levy approved by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. A vote to exceed the limits provided in section 77-3442 or a final levy allocation as provided in section 77-3443 must be approved prior to October 10 of the fiscal year which is to be the first to exceed the limits or final levy allocation. The governing body of the political subdivision may call for the submission of the issue to the voters (a) by passing a resolution calling for exceeding the limits or final levy allocation by a vote of at least two-thirds of the members of the governing body and delivering a copy of the resolution to the county clerk or election commissioner of every county which contains all or part of the political subdivision or (b) upon receipt of a petition by the county clerk or election commissioner of every county containing all or part of the political subdivision requesting an election signed by at least five percent of the registered voters residing in the political subdivision. The resolution or petition shall include the amount of levy which would be imposed in excess of the limits provided in section 77-3442 or the final levy allocation as provided in section 77-3443 and the duration of the excess levy authority. The excess levy authority shall not have a duration greater than five years. Any resolution or petition calling for a special election shall be filed with the county clerk or election commissioner no later than thirty days prior to the date of the election, and the time of publication and providing a copy of the notice of election required in section 32-802 shall be no later than twenty days prior to the election. The county clerk or election commissioner shall place the issue on the ballot at an election as called for in the resolution or petition which is at least thirty days after receipt of the resolution or petition. The election shall be held pursuant to the Election Act. For petitions filed with the county clerk or election commissioner on or after May 1, 1998, the petition shall be in the form as provided in sections 32-628 to 32-631. Any excess levy authority approved under this section shall terminate pursuant to its terms, on a vote of the governing body of the political subdivision to terminate the authority to levy more than the limits, at the end of the fourth fiscal year following the first year in which the levy exceeded the limit or the final levy allocation, or as provided in subsection (4) of this section, whichever is earliest. A governing body may pass no more than one resolution calling for an election pursuant to this section during any one calendar year. Only one election may be held in any one calendar year pursuant to a petition initiated under this section.

(2) The ballot question may include any terms and conditions set forth in the resolution or petition and shall include the following: "Shall (name of political subdivision) be allowed to levy a property tax not to exceed ..... cents per one hundred dollars of taxable valuation in excess of the limits prescribed by law until fiscal year ..... for the purposes of (general operations; building construction, remodeling, or site acquisition; or both general operations and building construction, remodeling, or site acquisition)?" If a majority of the votes cast upon the ballot question are in

favor of such tax, the county board shall authorize a tax in excess of the limits in section 77-3442 or the final levy allocation in section 77-3443 but such tax shall not exceed the amount stated in the ballot question. If a majority of those voting on the ballot question are opposed to such tax, the governing body of the political subdivision shall not impose such tax.

(3) In lieu of the election procedures in subsection (1) of this section, any political subdivision subject to section 77-3443, other than a Class I school district, and villages may approve a levy in excess of the limits in section 77-3442 or the final levy allocation provided in section 77-3443 for a period of one year at a meeting of the residents of the political subdivision or village, called after notice is published in a newspaper of general circulation in the political subdivision or village at least twenty days prior to the meeting. At least ten percent of the registered voters residing in the political subdivision or village shall constitute a quorum for purposes of taking action to exceed the limits or final levy allocation. A record shall be made of the registered voters residing in the political subdivision or village who are present at the meeting. The method of voting at the meeting shall protect the secrecy of the ballot. If a majority of the registered voters present at the meeting vote in favor of exceeding the limits or final levy allocation, a copy of the record of that action shall be forwarded to the county board prior to October 10 and the county board shall authorize a levy as approved by the residents for the year. If a majority of the registered voters present at the meeting vote against exceeding the limits or final allocation, the limit or allocation shall not be exceeded and the political subdivision shall have no power to call for an election under subsection (1) of this section.

(4) A political subdivision, other than a Class I school district, may rescind or modify a previously approved excess levy authority prior to its expiration by a majority of registered voters voting on the issue in a primary, general, or special election at which the issue is placed before the registered voters. A vote to rescind or modify must be approved prior to October 10 of the fiscal year for which it is to be effective. A claimant who is the owner of a homestead which has been granted an exemption under sections 77-3506 and 77-3507 to 77-3509, except subdivision (1)(b)(i) of section 77-3508, shall certify to the county assessor on or before June 30 of each year that a change in the homestead

exemption status has occurred or that no change in the homestead exemption status has occurred. The county board of the county in which the homestead is located may, by majority vote, extend the deadline for certification by a claimant to on or before July 20. An extension shall not be granted to an applicant who received an extension in the immediately preceding year. In addition, a claimant may make such certification late pursuant to section 77-3514.01 if he or she includes documentation of a medical condition which impaired the claimant's ability to certify in a timely manner. The county assessor shall mail a notice on or before April 1 to claimants who are the owners of a homestead which has been granted an exemption under sections 77-3506 and 77-3507 to 77-3509, except subdivision (1)(b)(i) of section 77-3508, in the preceding year unless the claimant has already filed the certification for the current year or the county assessor has reason to believe there has been a change of circumstances so that the claimant no longer qualifies. The notice shall include the claimant's name, the certification deadlines for the current year, a list of documents that must be filed with the certification, and the county assessor's office address and telephone number. For purposes of this section, change in the homestead exemption status shall include any change in the name of the owner, ownership, residence, occupancy, marital status, veteran status, or rating by the United States Department of Veterans Affairs or any other change that would affect the qualification for or type of exemption granted, except income checked by the Tax Commissioner under section 77-3517. The certificate shall require the attachment of an income statement for exemptions under sections 77-3507, 77-3508, and 77-3509 as prescribed by the Tax Commissioner fully accounting for all household income. The certification and the information contained on any attachments to the certification shall be confidential and available to tax officials only. In addition, a claimant who is the owner of a homestead which has been granted an exemption under sections 77-3506 and 77-3507 to 77-3509 may notify the county assessor by August 15 of each year of any change in the homestead exemption status occurring in the preceding portion of the calendar year as a result of a transfer of the homestead exemption pursuant to sections 77-3509.01 and 77-3509.02. If by his or her failure to give such notice any property owner permits the allowance of the homestead exemption for any year, or in the year of application in the case of transfers pursuant to sections 77-3509.01 and 77-3509.02, after the homestead exemption status of such property has changed, an amount equal to the amount of the taxes lawfully due but not paid by reason of such unlawful and improper allowance of homestead exemption, together with penalty and interest on such total sum as provided by statute on delinquent ad valorem taxes, shall be due and shall upon entry of the amount thereof on the books of the county treasurer be a lien on such property while unpaid. Such lien may be enforced in the manner provided for liens for other delinquent taxes. Any person who has permitted the improper and unlawful allowance of such homestead exemption on his or her property shall, as an additional penalty, also forfeit his or her right to a homestead exemption on any property in this state for the two succeeding years.

The application and all supporting information shall be confidential except for the name of the taxpayer, the location of the project, the amounts of increased employment and investment, and the information required to be reported by sections 77-4110 and 77-4113.

(3) Once satisfied that the plan in the application defines a project consistent with the purposes stated in section 77-4102 in one or more qualified business activities within this state, that the plans will result in either (a) the investment in qualified property of at least three million dollars and the hiring of at least thirty new employees or (b) the investment in qualified property resulting in a net

gain in the total value of tangible property in this state of a type subject to depreciation, amortization, or other recovery under the Internal Revenue Code of 1986 of at least twenty million dollars, and that the required levels of employment and investment for the project will be met prior to the end of the sixth year after the year in which the application was submitted, the Tax Commissioner shall approve the application. In determining the net gain in value for purposes of this subsection, all tangible personal property shall be valued in a manner consistent with the value determined for qualified property, and the total value on the last day of each year shall be compared with the total value on the last day of the base year.

(4) After approval, the taxpayer and the Tax Commissioner shall enter into a written agreement. The taxpayer shall agree to complete the project, and the Tax Commissioner, on behalf of the State of Nebraska, shall designate the approved plans of the taxpayer as a project and, in consideration of the taxpayer's agreement, agree to allow the taxpayer to use the incentives contained in the Employment and Investment Growth Act. The application, and all supporting documentation, to the extent approved, shall be considered a part of the agreement. The agreement shall state:

- (a) The levels of employment and investment required by the act for the project;
- (b) The time period under the act in which the required levels must be met;
- (c) The documentation the taxpayer will need to supply when claiming an incentive under the act;
- (d) The date the application was filed; and
- (e) A requirement that the company update the Department of Revenue annually on any changes in plans or circumstances which affect the timetable of sales tax refunds as set out in the application. If the company fails to comply with this requirement, the Tax Commissioner may defer any pending sales tax refunds until the company does comply.

(5) The incentives contained in section 77-4105 shall be in lieu of the tax credits allowed by section 77-27,188 for any project. In computing credits under section 77-27,188, any investment or employment which is eligible for benefits under the Employment and Investment Growth Act shall be subtracted from the increases computed for determining the credits under section 77-27,188.

(6) A taxpayer and the Tax Commissioner may enter into agreements for more than one project and may include more than one project in a single agreement. The projects may be either sequential or concurrent. A project may involve the same location as another project. No new employment or new investment shall be included in more than one project for either the meeting of the employment or investment requirements or the creation of credits. When projects overlap and the plans do not clearly specify, then the taxpayer shall specify in which project the employment and investment belongs.

**77-4104.01. Incentives; credits or benefits; limitation.** The following transactions or activities shall not create any credits or allow any benefits under the Employment and Investment Growth Act except as specifically allowed by this section:

- (1) The acquisition of a business which is continued by the taxpayer and which was operated in this state during the three hundred sixty-six days prior to the date of application or the date of acquisition, whichever is later. All employees of the acquired business during such period shall be considered base-year employees, and the compensation paid during the base year or the year before acquisition, whichever is later shall be the base-year compensation. Any investment in the acquisition of such business shall be considered as being made before the date of application;
- (2) The moving of a business from one location to another, which business was operated in this state during the three hundred sixty-six days prior to the date of application. All employees of the business during such three hundred sixty-six days shall be considered base-year employees;
- (3) The purchase or lease of any property which was previously owned by the taxpayer or a related person. The first purchase by either the taxpayer or a related person shall be treated as investment if the item was first placed in service in this state after the date of the application;

- (4) The renegotiation of any lease in existence on the date of application which does not materially change any of the terms of the lease, other than the expiration date, shall be presumed to be a transaction entered into for the purpose of generating benefits under the act and shall not be allowed in the computation of any benefit or the meeting of any required levels under the agreement;
- (5) Any purchase or lease of property from a related person, except that the taxpayer will be allowed any benefits under the Employment and Investment Growth Act to which the related person would have been entitled on the purchase or lease of the property if the related person was considered the taxpayer;
- (6) Any transaction entered into primarily for the purpose of receiving benefits under the act which is without a business purpose and does not result in increased economic activity in the state; and
- (7) For applications received after April 16, 2004, any activity that results in benefits under the Ethanol Development Act.

**77-4105. Incentives; income tax, personal property tax, sales and use tax; credits.** (1) A taxpayer who has signed an agreement under section 77-4104 may elect to determine taxable income for purposes of the Nebraska income tax using the sales factor only. The election may be made for the year during which the application was filed and for each year thereafter through the eighth year after the end of the entitlement period. The election shall be made for the year of the election by computing taxable income using the sales factor only on the tax return.

(2) A taxpayer who has signed an agreement under section 77-4104 shall receive the incentive provided in this subsection if the agreement contains one or more projects which together will result in the investment in qualified property of at least ten million dollars and the hiring of at least one hundred new employees. Such ten-million-dollar investment and hiring of at least one hundred new employees shall be considered a required level of investment and employment for this subsection and for the recapture of personal property tax only.

The following property used in connection with such project or projects and acquired by the taxpayer, whether by lease or purchase, after the date the application was filed shall constitute separate classes of personal property:

(a) Turbine-powered aircraft, including turboprop, turbojet, and turbofan aircraft, except when any such aircraft is used for fundraising for or for the transportation of an elected official;

(b) Computer systems, made up of equipment that is interconnected in order to enable the acquisition, storage, manipulation, management, movement, control, display, transmission, or reception of data involving computer software and hardware, used for business information processing which require environmental controls of temperature and power and which are capable of simultaneously supporting more than one transaction and more than one user. A computer system includes peripheral components which require environmental controls of temperature and power connected to such computers. Peripheral components shall be limited to additional memory units, tape drives, disk drives, power supplies, cooling units, data switches, and communication controllers; and

(c) Personal property which is business equipment located in a single project if (i) the business equipment is involved directly in the manufacture or processing of agricultural products and (ii) the investment in the single project exceeds ten million dollars.

Such property shall be eligible for exemption from the tax on personal property from the first January 1 following the date of acquisition for property in subdivision (2)(a) of this section, or from the first January 1 following the end of the year during which the required levels were exceeded for property in subdivisions (2)(b) and (2)(c) of this section, through the sixteenth December 31 after the filing of the application. In order to receive the property tax exemptions allowed by subdivisions (2)(a), (2)(b), and (2)(c) of this section, the taxpayer shall annually file a claim for exemption with

the Tax Commissioner on or before May 1. The form and supporting schedules shall be prescribed by the Tax Commissioner and shall list all property for which exemption is being sought under this section. A separate claim for exemption must be filed for each project and each county in which property is claimed to be exempt. A copy of this form must also be filed with the county assessor in each county in which the applicant is requesting exemption. The Tax Commissioner shall determine the eligibility of each item listed for exemption and, on or before August 1, certify such to the taxpayer and to the affected county assessor.

(3) When the taxpayer has met the required levels of employment and investment contained in the agreement, the taxpayer shall also be entitled to the following incentives:

(a) A refund of all sales and use taxes paid under the Nebraska Revenue Act of 1967, the Local Option Revenue Act, and sections 13-319, 13-324, and 13-2813 from the date of the application through the meeting of the required levels of employment and investment for all purchases, including rentals, of:

(i) Qualified property used as a part of the project;

(ii) Property, excluding motor vehicles, based in this state and used in both this state and another state in connection with the project except when any such property is to be used for fundraising for or for the transportation of an elected official;

(iii) Tangible personal property by the owner of the improvement to real estate that is incorporated into real estate as a part of a project; and

(iv) Tangible personal property by a contractor or repairperson after appointment as a purchasing agent of the owner of the improvement to real estate. The refund shall be based on fifty percent of the contract price, excluding any land, as the cost of materials subject to the sales and use tax; and

(b) A refund of the sales and use taxes paid under the Nebraska Revenue Act of 1967, the Local Option Revenue Act, and sections 13-319, 13-324, and 13-2813 on the types of purchases, including rentals, listed in subdivision (a) of this subsection for such taxes paid during each year of the entitlement period in which the taxpayer is at or above the required levels of employment and investment.

(4) Any taxpayer who qualifies for the incentives contained in subsections (1) and (3) of this section and who has added at least thirty new employees at the project shall also be entitled to:

(a) A credit equal to five percent of the amount by which the total compensation paid during the year to employees who are either Nebraska employees or base-year employees while employed at the project exceeds the average compensation paid at the project multiplied by the number of equivalent base-year employees.

For the computation of such credit, average compensation shall mean the total compensation paid at the project divided by the total number of equivalent employees at the project; and

(b) A credit equal to ten percent of the investment made in qualified property at the project.

The credits prescribed in subdivisions (a) and (b) of this subsection shall be allowable for compensation paid and investments made during each year of the entitlement period that the taxpayer is at or above the required levels of employment and investment.

The credit prescribed in subdivision (b) of this subsection shall also be allowable during the first year of the entitlement period for investment in qualified property at the project after the date of the application and before the required levels of employment and investment were met.

**77-4106. Credits; use; refund claims; procedures; interest; appointment of purchasing agent.**

(1)(a) The credits prescribed in section 77-4105 shall be established by filing the forms required by the Tax Commissioner with the income tax return for the year. The credits may be used after any

other nonrefundable credits to reduce the taxpayer's income tax liability imposed by sections 77-2714 to 77-27,135. The credits may be used to obtain a refund of sales and use taxes under the Nebraska Revenue Act of 1967, the Local Option Revenue Act, and sections 13-319, 13-324, and 13-2813 which are not otherwise refundable that are paid on purchases, including rentals, for use at the project.

(b) The credits may be used as allowed in subdivision (a) of this subsection and shall be applied in the order in which they were first allowed. Any decision on how part of the credit is applied shall not limit how the remaining credit could be applied under this section.

(c) The credit may be carried over until fully utilized, except that such credit may not be carried over more than eight years after the end of the entitlement period.

(2)(a) No refund claims shall be filed until after the required levels of employment and investment have been met.

(b) Refund claims shall be filed no more than once each quarter for refunds under the Employment and Investment Growth Act, except that any claim for a refund in excess of twenty-five thousand dollars may be filed at any time.

(c) Any refund claim for sales and use tax on materials incorporated into real estate as a part of the project shall be filed by and the refund paid to the owner of the improvement to real estate. A refund claim for such materials purchased by a purchasing agent shall include a copy of the purchasing agent appointment, the contract price, and a certification by the contractor or repairperson of the percentage of the materials incorporated into the project on which sales and use taxes were paid to Nebraska after appointment as purchasing agent.

(d) All refund claims shall be filed, processed, and allowed as any other claim under section 77-2708, except that the amounts allowed to be refunded under the Employment and Investment Growth Act shall be deemed to be overpayments and shall be refunded notwithstanding any limitation in subdivision (2)(a) of section 77-2708. The refund may be allowed if the claim is filed within three calendar years from the end of the year the required levels of employment and investment are met or within the period set forth in section 77-2708.

(e) Interest shall not be allowed on any sales and use taxes refunded under the Employment and Investment Growth Act.

(3) The appointment of purchasing agents shall be recognized for the purpose of changing the status of a contractor or repairperson as the ultimate consumer of tangible personal property purchased after the date of the appointment which is physically incorporated into the project and becomes the property of the owner of the improvement to real estate. The purchasing agent shall be jointly liable for the payment of the sales and use tax on the purchases with the owner of the improvement to real estate.

**77-4107. Recapture or disallowance of incentives.** (1) If the taxpayer fails either to meet the required levels of employment or investment for the applicable project by the end of the sixth year after the end of the year the application was submitted for such project or to utilize such project in a qualified business at employment and investment levels at or above those required in the agreement for the entire entitlement period, all or a portion of the incentives set forth in the Employment and Investment Growth Act shall be recaptured or disallowed.

(2) The recapture or disallowance shall be as follows:

(a) In the case of a taxpayer who failed to meet the required levels within the required time period, all reduction in the personal property tax because of the Employment and Investment Growth Act shall be recaptured and any reduction in the corporate income tax arising solely because of an

election under subsection (1) of section 77-4105 shall be deemed an underpayment of the income tax for the year in which the election was exercised and shall be immediately due and payable; and

(b) In the case of a taxpayer who has failed to maintain the project at the required levels of employment and investment for the entire entitlement period, any reduction in the personal property tax, any refunds in tax allowed under subdivision (3)(a) of section 77-4105, and any refunds or reduction in tax allowed because of the use of a credit allowed under subsection (4) of section 77-4105 shall be partially recaptured from either the taxpayer or the owner of the improvement to real estate and any carryovers of credits shall be partially disallowed. One-seventh of the refunds, one-seventh of the reduction in personal property tax, and one-seventh of the credits used shall be recaptured and one-seventh of the remaining carryovers and the last remaining year of personal property tax exemption shall be disallowed for each year the taxpayer did not maintain such project at or above the required levels of employment or investment.

(3) Any refunds or reduction in tax due, to the extent required to be recaptured, shall be deemed to be an underpayment of the tax and shall be immediately due and payable.

When tax benefits were received in more than one year, the tax benefits received in the most recent year shall be recovered first and then the benefits received in earlier years up to the extent of the required recapture.

(4) Any personal property tax that would have been due except for the exemption allowed under the Employment and Investment Growth Act, to the extent it becomes due under this section, shall be considered an underpayment of such tax and shall be immediately due and payable to the county or counties in which the property was located when exempted. All amounts received by a county under this section shall be allocated to each taxing unit levying taxes on tangible personal property in the county in the same proportion that the levy on tangible personal property of such taxing unit bears to the total levy of all of such taxing units.

(5) Notwithstanding any other limitations contained in the laws of this state, collections of any taxes deemed to be underpayments by this section shall be allowed for a period of ten years after the signing of the agreement or three years after the end of the entitlement period, whichever is later.

(6) Any amounts due under this section shall be recaptured notwithstanding other allowable credits and shall not be subsequently refunded under any provision of the Employment and Investment Growth Act unless the recapture was in error.

(7) The recapture required by this section shall not occur if the failure to maintain the required levels of employment or investment was caused by an act of God or national emergency.

**77-4108. Incentives; transfer; when; effect.** (1) The incentives allowed under the Employment and Investment Growth Act shall not be transferable except in the following situations:

(a) Any credit allowable to a partnership, a limited liability company, a subchapter S corporation, or an estate or trust may be distributed to the partners, members, shareholders, or beneficiaries in the same manner as income is distributed for use against their income tax liabilities, and such partners, members, shareholders, or beneficiaries shall be deemed to have made an underpayment of their income taxes for any recapture required by section 77-4107; and

(b) The incentives previously allowed and the future allowance of incentives may be transferred when a project covered by an agreement is transferred in its entirety by sale or lease to another taxpayer or in an acquisition of assets qualifying under section 381 of the Internal Revenue Code of 1986.

(2) The acquiring taxpayer, as of the date of notification of the Tax Commissioner of the completed transfer, shall be entitled to any unused credits and to any future incentives allowable under the act.

(3) The acquiring taxpayer shall be liable for any recapture that becomes due after the date of the transfer for the repayment of any benefits received either before or after the transfer.

(4) If a taxpayer operating a project and allowed a credit under the act dies and there is a credit remaining after the filing of the final return for the taxpayer, the personal representative shall determine the distribution of the credit or any remaining carryover with the initial fiduciary return filed for the estate. The determination of the distribution of the credit may be changed only after obtaining the permission of the Tax Commissioner.

(2) No new applications shall be filed under the act on or after January 1, 2006. All project applications filed before January 1, 2006, shall be considered by the Tax Commissioner and approved if the project and taxpayer qualify for benefits. Agreements may be executed with regard to project applications filed before January 1, 2006. **77-4212. Property tax credit; county treasurer; duties; disbursement to counties; State Treasurer; duties.** (1) For tax year 2007, the amount of relief granted under the Property Tax Credit Act shall be one hundred five million dollars. For tax year 2008, the amount of relief granted under the act shall be one hundred fifteen million dollars. It is the intent of the Legislature to fund the Property Tax Credit Act for tax years after tax year 2008 using available revenue. The relief shall be in the form of a property tax credit which appears on the property tax statement.

(2) To determine the amount of the property tax credit, the county treasurer shall multiply the amount disbursed to the county under subsection (4) of this section by the ratio of the real property valuation of the parcel to the total real property valuation in the county. The amount determined shall be the property tax credit for the property.

(3) If the real property owner qualifies for a homestead exemption under sections 77-3501 to 77-3529, the owner shall also be qualified for the relief provided in the act to the extent of any remaining liability after calculation of the relief provided by the homestead exemption. If the credit results in a property tax liability on the homestead that is less than zero, the amount of the credit which cannot be used by the taxpayer shall be returned to the State Treasurer by July 1 of the year the amount disbursed to the county was disbursed. The State Treasurer shall immediately credit any funds returned under this section to the Property Tax Credit Cash Fund.

(4) The amount disbursed to each county shall be equal to the amount available for disbursement determined under subsection (1) of this section multiplied by the ratio of the real property valuation in the county to the real property valuation in the state. By September 15, the Property Tax Administrator shall determine the amount to be disbursed under this subsection to each county and certify such amounts to the State Treasurer and to each county. The disbursements to the counties shall occur in two equal payments, the first on or before January 31 and the second on or before April 1. After retaining one percent of the receipts for costs, the county treasurer shall allocate the

remaining receipts to each taxing unit levying taxes on taxable property in the tax district in which the real property is located in the same proportion that the levy of such taxing unit bears to the total levy on taxable property of all the taxing units in the tax district in which the real property is located.

(5) The State Treasurer shall transfer from the General Fund to the Property Tax Credit Cash Fund one hundred five million dollars by August 1, 2007, and one hundred fifteen million dollars by August 1, 2008.

(6) The Legislature shall have the power to transfer funds from the Property Tax Credit Cash Fund to the General Fund.

The Tax Equalization and Review Commission determines de novo all questions raised in proceedings before it. *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 753 N.W.2d 802 (2008).

The Tax Equalization and Review Commission is not required to accept any and all evidence offered during an informal hearing; it has some discretion in determining the probative value of proffered evidence and may exclude that which it determines to be incompetent, irrelevant, immaterial, and unduly repetitious. *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 753 N.W.2d 802 (2008).

The Tax Equalization and Review Commission is not required to make specific findings with respect to arguments or issues which it does not deem significant or necessary to its determination. *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 753 N.W.2d 802 (2008).

The taxpayer's burden is to present clear and convincing evidence to rebut the presumption that the Board of Equalization faithfully performed its valuation duties. *Brenner v. Banner Cty. Bd. of Equal.*, 276 Neb. 275, 753 N.W.2d 802 (2008).

A presumption exists that a board of equalization has faithfully performed its official duties and has acted upon sufficient competent evidence to justify its actions. This presumption remains until there is competent evidence to the contrary presented. Once the presumption has been rebutted, the burden shifts to the party requesting the exemption to prove its entitlement thereto. *City of York v. York Cty. Bd. of Equal.*, 266 Neb. 297, 664 N.W.2d 445 (2003).

The only material difference between an appeal from a board of equalization before the passage of LB 490 and after is that subsection (5) of this section allows the Tax Equalization and Review Commission to take judicial notice of general, technical, or scientific facts within its specialized knowledge or statistical information regarding general levels of assessment. *J.C. Penney Co., Inc. v. Lancaster Cty. Bd. of Equal.*, 6 Neb. App. 838, 578 N.W.2d 465 (1998).

Oath, affirmation, or statement; perjury.** Each appeal or petition filed with the commission shall be deemed to include an oath, affirmation, or statement to the effect that its representations are true as far as the person executing or filing it knows or should know. Any person who willfully falsifies any such representation shall be guilty of perjury and shall, upon conviction thereof, be punished as provided by section 28-915.

The person making such service shall make a return thereof showing the manner of service. A subpoena may be served by any person not interested in the matter or by the sheriff. Witnesses; attendance required; fees.** (1) Witnesses cannot be compelled to attend a hearing out of the state where they are served or at a distance of more than one hundred miles from the place of their residence or from the place where they are served with a subpoena, unless within the same county. Witnesses shall not be obliged to attend a deposition outside the county of their residence or outside the county where the subpoena is served.

(2) The chairperson of the commission may, upon deposit with the commission of sufficient money to pay the legal fees and mileage and reasonable expenses for hotel and meals of such a witness who attends at points so far removed from his or her residence as to make it reasonably necessary that such expenses be incurred, order a subpoena to issue requiring the hearing attendance, but excluding a deposition appearance, of such witness from a greater distance within the state than that provided in subsection (1) of this section. Mileage shall be computed at the rate provided in section 81-1176. The subpoena shall show that it is issued under this section. After the appearance of such witness in response to any such subpoena, the chairperson of the commission shall enter an order directing the payment to the witness from such deposit of such legal fees, mileage, and the actual expenses for hotel and meals incurred by such witness. If such deposit is not adequate for such purpose, the chairperson of the commission shall direct the party procuring the issuance of such subpoena to pay to such witness the deficiency.

The fact of such demand and nonpayment shall be stated in the return.

(2) When a subpoena is issued at the request of any agency of state government, the witness shall not be entitled to demand his or her traveling fees and fee for one day's attendance but shall be required to obey the subpoena if, at the time of service upon him or her, he or she is furnished a statement prepared by the agency advising him or her of the rate of travel fees allowable, the fee for each day's attendance pursuant to the subpoena, and that he or she will be paid at such rates following his or her attendance.

**77-5016.09. Death or disability of party; transfer of property; effect on proceeding.** An appeal or petition shall not be dismissed by reason of the death or other disability of a party or by the transfer of any interest in property during its pendency. In the case of the death or other disability of a party, the commission may allow the action to continue by the party's representative or successor in interest. In case of any other transfer of interest in property, the action may be continued in the name of the original party or the commission may allow the party to whom the transfer is made to be substituted in the action in accordance with the party's interests.

**77-5017. Appeals or petitions; orders authorized.** (1) In resolving an appeal or petition, the commission may make such orders as are appropriate for resolving the dispute but in no case shall the relief be excessive compared to the problems addressed. The commission may make prospective orders requiring changes in assessment practices which will improve assessment practices or affect the general level of assessment or the measures of central tendency in a positive way. If no other relief is adequate to resolve disputes, the commission may order a reappraisal of property within a county, an area within a county, or classes or subclasses of property within a county.

(2) In an appeal specified in subdivision (10) or (11) of section 77-5016 for which the commission determines exempt property to be taxable, the commission shall order the county board of equalization to determine the taxable value of the property, unless the parties stipulate to such taxable value during the hearing before the commission. The order shall require the county board of equalization to determine the taxable value of the property pursuant to section 77-1507, send notice of the taxable value pursuant to section 77-1507 within ninety days after the date the commission's order is certified pursuant to section 77-5018, and apply interest at the rate specified in section 45-104.01, but not penalty, to the taxable value as of the date the commission's order was issued or the date the taxes were delinquent, whichever is later.

(3) A determination of the taxable value of the property made by the county board of equalization pursuant to subsection (2) of this section may be appealed to the commission within thirty days after the board's decision as provided in section 77-1507.

**77-5018. Appeals; decisions and orders; requirements; publication on web site; correction of errors.** (1) The commission may issue decisions and orders which are supported by the evidence and appropriate for resolving the matters in dispute. Every final decision and order adverse to a party to the proceeding, rendered by the commission in a case appealed to the commission, shall be in writing or stated in the record and shall be accompanied by findings of fact and conclusions of law. The findings of fact shall consist of a concise statement of the conclusions upon each contested issue of fact. Parties to the proceeding shall be notified of the decision and order in person or by mail. A copy of the decision and order shall be delivered or mailed to each party or his or her attorney of record. Within seven days of issuing a decision and order, the commission shall electronically publish such decision and order on a web site maintained by the commission that is accessible to the general public. The full text of final decisions and orders shall be published on the web site, except that final decisions and orders that are entered (a) on a dismissal by the appellant or petitioner, (b) on a default order when the appellant or petitioner failed to appear, (c) by agreement of the parties, or (d) by a single commissioner pursuant to section 77-5015.02 may be published on the web site in a summary manner identifying the parties, the case number, and the basis for the

final decision and order. Any decision rendered by the commission shall be certified to the county treasurer and to the officer charged with the duty of preparing the tax list, and if and when such decision becomes final, such officers shall correct their records accordingly and the tax list pursuant to section 77-1613.02.

(2) The commission may, on its own motion, modify or change its findings or orders, at any time before an appeal and within ten days after the date of such findings or orders, for the purpose of correcting any ambiguity, clerical error, or patent or obvious error. The time for appeal shall not be lengthened because of the correction unless the correction substantially changes the findings or order.

(3) The Tax Commissioner or the Property Tax Administrator shall have thirty days after a final decision of the commission to appeal the commission's decision pursuant to section 77-5019.

**77-5019. Appeals; judicial review; procedure.** (1) Any party aggrieved by a final decision in a case appealed to the commission, any party aggrieved by a final decision of the commission on a petition, any party aggrieved by an order of the commission issued pursuant to section 77-5020 or sections 77-5023 to 77-5028, or any party aggrieved by a final decision of the commission appealed by the Tax Commissioner or the Property Tax Administrator pursuant to section 77-701 shall be entitled to judicial review in the Court of Appeals. Upon request of the county, the Attorney General may appear and represent the county or political subdivision in cases in which the commission is not a party. Nothing in this section shall be deemed to prevent resort to other means of review, redress, or relief provided by law.

(2)(a) Proceedings for review shall be instituted by filing a petition and the appropriate docket fees in the Court of Appeals:

(i) Within thirty days after the date on which a final appealable order is entered by the commission; or

(ii) For orders issued pursuant to section 77-5028, within thirty days after May 15 or thirty days after the date ordered pursuant to section 77-1514, whichever is later.

(b) All parties of record shall be made parties to the proceedings for review. The commission shall only be made a party of record if the action complained of is an order issued by the commission pursuant to section 77-1504.01 or 77-5020 or sections 77-5023 to 77-5028. Summons shall be served on all parties within thirty days after the filing of the petition in the manner provided for service of a summons in a civil action. The court, in its discretion, may permit other interested persons to intervene. No bond or undertaking is required for an appeal to the Court of Appeals.

(c) A petition for review shall set forth: (i) The name and mailing address of the petitioner; (ii) the name and mailing address of the county whose action is at issue or the commission; (iii) identification of the final decision at issue together with a duplicate copy of the final decision; (iv) the identification of the parties in the case that led to the final decision; (v) the facts to demonstrate proper venue; (vi) the petitioner's reasons for believing that relief should be granted; and (vii) a request for relief, specifying the type and extent of the relief requested.

(3) The filing of the petition or the service of summons upon the commission shall not stay enforcement of a decision. The commission may order a stay. The court may order a stay after notice of the application for the stay to the commission and to all parties of record. The court may require the party requesting the stay to give bond in such amount and conditioned as the court directs.

(4) Upon receipt of a petition the date for submission of the official record shall be determined by the court. The commission shall prepare a certified copy of the official record of the proceedings had before the commission in the case. The official record shall include: (a) Notice of all proceedings; (b) any pleadings, motions, requests, preliminary or intermediate rulings and orders, and similar correspondence to or from the commission pertaining to the case; (c) the transcribed

record of the hearing before the commission, including all exhibits and evidence introduced during the hearing, a statement of matters officially noticed by the commission during the proceeding, and all proffers of proof and objections and rulings thereon; and (d) the final order appealed from. The official record in an appeal of a commission decision issued pursuant to sections 77-5023 to 77-5028 may be limited by the request of a petitioner to those parts of the record pertaining to a specific county. The commission shall charge the petitioner with the reasonable direct cost or require the petitioner to pay the cost for preparing the official record for transmittal to the court in all cases except when the petitioner is not required to pay a filing fee. If payment is required, payment of the cost, as estimated by the commission, for preparation of the official record shall be paid to the commission prior to preparation of the official record and the commission shall not transmit the official record to the court until payment of the actual costs of its preparation is received.

(5) The review shall be conducted by the court for error on the record of the commission. If the court determines that the interest of justice would be served by the resolution of any other issue not raised before the commission, the court may remand the case to the commission for further proceedings. The court may affirm, reverse, or modify the decision of the commission or remand the case for further proceedings.

(6) Appeals under this section shall be given precedence over all civil cases.

##### **1. Tax Equalization and Review Commission**

The plain language in subsection (2)(a) of this section referring to "the action complained of" refers to the particular Tax Equalization and Review Commission order being appealed and does not refer to a previous order of the commission which might be relevant to issues in the current appeal. *Marshall v. Dawes Cty. Bd. of Equal.*, 265 Neb. 33, 654 N.W.2d 184 (2002).

Pursuant to subsection (1) of this section, because the Tax Equalization and Review Commission performs essentially the same functions that were performed by the State Board of Equalization and Assessment, the appellate court considers appeals from the commission's decisions under the same standards and principles that were applied to appeals from equalization proceedings before the board. Pursuant to subsection (5) of this section, appellate review of a Tax Equalization Review Commission decision shall be conducted for error on the record of the commission. *County of Douglas v. Nebraska Tax Equal. & Rev. Comm.*, 262 Neb. 578, 635 N.W.2d 413 (2001).

Pursuant to subsection (2) of this section, except for orders issued by the Nebraska Tax Equalization and Review Commission pursuant to section 77-1504.01 or section 77-5023, the commission is not a proper party to a proceeding for judicial review of an order of the commission. *Widtfeldt v. Holt Cty. Bd. of Equal.*, 12 Neb. App. 499, 677 N.W.2d 521 (2004).

Appellate review of the decisions of the Nebraska Tax Equalization and Review Commission is limited to error on the record. *Lyman-Richey Corp. v. Cass Cty. Bd. of Equal.*, 258 Neb. 1003, 607 N.W.2d 806 (2000); *Ash Grove Cement Co. v. Cass Cty. Bd. of Equal.*, 258 Neb. 990, 607 N.W.2d 810 (2000); *Kawasaki Motors Corp. v. Lancaster Cty. Bd. of Equal.*, 7 Neb. App. 655, 584 N.W.2d 63 (1998).

Decisions of the Tax Equalization and Review Commission are reviewed for error appearing on the record. *Washington Cty. Bd. of Equal. v. Rushmore Borglum*, 11 Neb. App. 377, 650 N.W.2d 504 (2002).

##### **2. Jurisdiction**

Where the Tax Equalization and Review Commission lacked jurisdiction over a tax valuation appeal because of the appellant's failure to pay a filing fee, the Nebraska Court of Appeals also lacked jurisdiction over the appellant's further appeal filed pursuant to this section. *Widtfeldt v. Tax Equal. & Rev. Comm.*, 15 Neb. App. 410, 728 N.W.2d 295 (2007).

Pursuant to subsection (2) of this section, failure to accomplish service of process upon the county board of equalization within 30 days after filing the petition for judicial review is necessary to confer subject matter jurisdiction upon the reviewing court. *Widtfeldt v. Holt Cty. Bd. of Equal.*, 12 Neb. App. 499, 677 N.W.2d 521 (2004).

The Nebraska Court of Appeals did not have jurisdiction under subsection (1) of this section to hear county's appeal of claim brought pursuant to section 77-1504.01 because the claim was not a decision appealed to the Nebraska Tax Equalization and Review Commission and was not brought pursuant to section 77-5028. *Boone Cty. Bd. of Equal. v. Nebraska Tax Equal. and Rev. Comm.*, 9 Neb. App. 298, 611 N.W.2d 119 (2000).

Under this section, service of summons within 30 days of the filing of a petition for review of the commission's decision is necessary to confer subject matter jurisdiction on the Court of Appeals. *McLaughlin v. Jefferson Cty. Bd. of Equal.*, 5 Neb. App. 781, 567 N.W.2d 794 (1997).

##### **3. Miscellaneous**

Subsection (2)(a) of this section provides for service of only the state or a political subdivision. *Cargill Meat Solutions v. Colfax Cty. Bd. of Equal.*, 281 Neb. 93, 798 N.W.2d 823 (2011).

Pursuant to subsection (2) of this section, the county board of equalization is a necessary party to a proceeding for judicial review of an order of the Nebraska Tax Equalization and Review Commission. *Widtfeldt v. Holt Cty. Bd. of Equal.*, 12 Neb. App. 499, 677 N.W.2d 521 (2004).

Pursuant to subsection (5) of this section, when reviewing a judgment of the Tax Equalization and Review Commission for errors appearing on the record, the inquiry is whether the decision conforms to the law, is supported by competent evidence, and is neither arbitrary, capricious, nor unreasonable. *Dodge County Bd. v. Nebraska Tax Equal. & Rev. Comm.*, 10 Neb. App. 927, 639 N.W.2d 683 (2002).

Pursuant to subsection (5) of this section, appellate review of a Tax Equalization and Review Commission decision shall be conducted for error on the record; the appellate court's inquiry is whether the decision conforms to the law, is supported by competent evidence, and is neither arbitrary, capricious, nor unreasonable. *Krusemark v. Thurston Cty. Bd. of Equal.*, 10 Neb. App. 35, 624 N.W.2d 328 (2001).

**77-5020. County assessor or deputy assessor; invalidation or suspension of certificate; appeal.**

The commission, subject to rules and regulations, shall have the power to invalidate or suspend the certificate issued pursuant to section 77-422 of any county assessor or deputy assessor who willfully fails or refuses to comply with any order of the commission. No certificate shall be invalidated or suspended except upon a hearing before the commission.

Any county assessor or deputy assessor whose certificate has been so invalidated or suspended may appeal the decision to the Court of Appeals in accordance with section 77-5019.

No action shall be brought under this section more than two years after the date of the act, last date of a series of actions complained of, or the last date the county assessor or deputy assessor could have acted to comply, whichever is later.

The commission shall have the power to recess from time to time until the equalization process is complete. Meetings held pursuant to this section may be held by means of videoconference or telephone conference.

**77-5023. Commission; power to change value; acceptable range.** (1) Pursuant to section 77-5022, the commission shall have the power to increase or decrease the value of a class or subclass of real property in any county or taxing authority or of real property valued by the state so that all classes or subclasses of real property in all counties fall within an acceptable range.

(2) An acceptable range is the percentage of variation from a standard for valuation as measured by an established indicator of central tendency of assessment. Acceptable ranges are: (a) For agricultural land and horticultural land as defined in section 77-1359, sixty-nine to seventy-five percent of actual value; (b) for lands receiving special valuation, sixty-nine to seventy-five percent of special valuation as defined in section 77-1343; and (c) for all other real property, ninety-two to one hundred percent of actual value.

(3) Any increase or decrease shall cause the level of value determined by the commission to be at the midpoint of the applicable acceptable range.

(4) Any decrease or increase to a subclass of property shall also cause the level of value determined by the commission for the class from which the subclass is drawn to be within the applicable acceptable range.

(5) Whether or not the level of value determined by the commission falls within an acceptable range or at the midpoint of an acceptable range may be determined to a reasonable degree of certainty relying upon generally accepted mass appraisal techniques.

##### **1. Powers and duties**

It is the primary duty of the State Board of Equalization and Assessment to establish uniformity between the various counties. *Hanna v. State Board of Equalization & Assessment*, 181 Neb. 725, 150 N.W.2d 878 (1967).

Basic powers and duties of State Board of Equalization and Assessment are set out in this section. *Carpenter v. State Board of Equalization & Assessment*, 178 Neb. 611, 134 N.W.2d 272 (1965).

State board has duty to equalize assessments on farm lands between counties. *Laflin v. State Board of Equalization and Assessment*, 156 Neb. 427, 56 N.W.2d 469 (1953).

State Board of Equalization is not a board of review with power to correct errors of the county boards of equalization or assessors. *Scotts Bluff County v. State Board of Equalization & Assessment*, 143 Neb. 837, 11 N.W.2d 453 (1943).

##### **2. Modification of valuation**

Although the State Board of Equalization and Assessment has the power to increase or decrease the actual valuation of a class or subclass of real or personal property of any county or tax district pursuant to this section, it may do so only to change the value of the taxable property of a county in the aggregate so that there will be equalization between counties and centrally assessed property considered in the aggregate. *AT&T Information Sys. v. State Bd. of Equal.*, 237 Neb. 591, 467 N.W.2d 55 (1991).

Increase or decrease should be by percentage. *Fromkin v. State*, 158 Neb. 377, 63 N.W.2d 332 (1954).

Pursuant to subsection (1) of this section, the Tax Equalization and Review Commission lacked the authority to create a new market area in a county for the purpose of increasing the overall valuation of the agricultural range in that county so that it fell within the acceptable statutory range. *Dodge County Bd. v. Nebraska Tax Equal. & Rev. Comm.*, 10 Neb. App. 927, 639 N.W.2d 683 (2002).

Pursuant to subsection (2) of this section, the decision of the Tax Equalization and Review Commission to increase the value of all unimproved agricultural property in a county by 5 percent was proper, since the increase resulted in a median level valuation countywide of 77 percent, which is the midpoint of the acceptable range required by statute. *Dodge County Bd. v. Nebraska Tax Equal. & Rev. Comm.*, 10 Neb. App. 927, 639 N.W.2d 683 (2002).

##### **3. Miscellaneous**

Under this section, locally assessed taxpayers do not have the right to request that the State Board of Equalization and Assessment equalize their individual property, as part of a class or subclass, with a class or subclass or centrally assessed property in other counties. *John Day Co. v. Douglas Cty. Bd. of Equal.*, 243 Neb. 24, 497 N.W.2d 65 (1993); *AT&T Information Sys. v. State Bd. of Equal.*, 237 Neb. 591, 467 N.W.2d 55 (1991).

State board is not required to have before it all of the abstracts of assessment of all counties before commencement of its meetings. *County of Howard v. State Board of Equalization and Assessment*, 158 Neb. 339, 63 N.W.2d 441 (1954); *County of Grant v. State Board of Equalization and Assessment*, 158 Neb. 310, 63 N.W.2d 459 (1954).

Pursuant to subsection (2) of section 77-5019, except for orders issued by the Nebraska Tax Equalization and Review Commission pursuant to section 77-1504.01 or this section, the commission is not a proper party to a proceeding for judicial review of an order of the commission. *Widtfeldt v. Holt Cty. Bd. of Equal.*, 12 Neb. App. 499, 677 N.W.2d 521 (2004).

**77-5024.01. Notice; contents.** The commission shall give notice of the time and place of the first meeting held pursuant to sections 77-5022 to 77-5028 by publication in a newspaper of general circulation in the State of Nebraska. Such notice shall contain a statement that the agenda shall be readily available for public inspection at the principal office of the commission during normal business hours. The agenda shall be continually revised to remain current. The commission may thereafter modify the agenda and need only provide notice of the meeting to the affected counties in the manner provided in section 77-5026. The commission shall publish in its notice a list of those counties certified under section 77-5027 as having assessments which may fail to satisfy the requirements of law. The notice shall also contain a statement advising that any petition brought by a county board of equalization pursuant to section 77-1504.01 to adjust the value of a class or subclass of real property will be heard between July 26 and August 10 at a date, time, and place as provided in the agenda maintained by the commission.

**77-5026. Commission; change of value; hearing; procedure.** Pursuant to section 77-5023, if the commission finds that the level of value of a class or subclass of real property fails to satisfy the requirements of section 77-5023, the commission shall issue a notice to the counties which it deems either undervalued or overvalued and shall set a date for hearing at least five days following the mailing of the notice unless notice is waived. The notice unless waived shall be mailed to the county clerk, county assessor, and chairperson of the county board. At the hearing the county assessor or other legal representatives of the county may appear and show cause why the value of a class or subclass of real property of the county should not be adjusted. A county assessor or other legal representative of the county may waive notice of the hearing or consent to entry of an order adjusting the value of a class or subclass of real property without further notice. At the hearing, the commission may receive testimony from any interested person.

Pursuant to this section, if the Tax Equalization and Review Commission determines that equitable assessment of property in the state cannot be made without adjusting the value of a class or subclass of property in a county which it deems overvalued or undervalued, the commission may hold a hearing during which legal representatives of the county may show cause as to why the adjustment should not be made. *Bartlett v. Dawes Cty. Bd. of Equal.*, 259 Neb. 954, 613 N.W.2d 810 (2000).

Because of the statutory time limits placed upon the State Board of Equalization by sections 77-505, 77-509, and 77-1514, R.R.S.1943, the five-day notice provision of section 77-508, R.R.S.1943, is reasonable. Where a notice of hearing was sent out and amended the next day without changing the hearing date, the date of the first notice is used to determine if the notice requirement of this section was met. *Box Butte County v. State Board of Equalization & Assessment*, 206 Neb. 696, 295 N.W.2d 670 (1980).

This section does not require a formal and explicit finding by the board, prior to any hearing, that equalization could not be made without increasing or decreasing property values. *Box Butte County v. State Board of Equalization & Assessment*, 206 Neb. 696, 295 N.W.2d 670 (1980).

A notice issued by the State Board of Equalization and Assessment should specify the percentage of increase or decrease which the board intends to make in the county. *County of Brown v. Reference is made to valuation of property in proceedings of state board. *Fromkin v. State*, 158 Neb. 377, 63 N.W.2d 332 (1954).

Notice sent to counties was sufficient. *County of Buffalo v. State Board of Equalization and Assessment*, 158 Neb. 353, 63 N.W.2d 468 (1954); *County of Howard v. Notice to county is a condition precedent to a valid order. *Laflin v. State Board of Equalization and Assessment*, 156 Neb. 427, 56 N.W.2d 469 (1953).

Without giving of statutory notice, State Board of Equalization and Assessment has no jurisdiction to order decrease of assessed valuation of a class or classes of property in all counties of the state. *Antelope County v. State Board of Equalization & Assessment*, 146 Neb. 661, 21 N.W.2d 416 (1946).

Increase in assessment valuation without notice or sufficient opportunity for hearing is violative of this section and amounts to confiscation of property without due process of law. *American Tel. & Tel. **77-5027. Commission; change valuation; Property Tax Administrator; duties.** (1) The commission shall, pursuant to section 77-5026, raise or lower the valuation of any class or subclass of real property in a county when it is necessary to achieve equalization.

(2) On or before nineteen days following the final filing due date for the abstract of assessment for real property pursuant to section 77-1514, the Property Tax Administrator shall prepare and deliver to the commission and to each county assessor his or her annual reports and opinions. Beginning January 1, 2014, for any county with a population of at least one hundred fifty thousand inhabitants according to the most recent federal decennial census, the reports or opinions shall be prepared and delivered on or before fifteen days following such final filing due date.

(3) The annual reports and opinions of the Property Tax Administrator shall contain statistical and narrative reports informing the commission of the level of value and the quality of assessment of the classes and subclasses of real property within the county and a certification of the opinion of the Property Tax Administrator regarding the level of value and quality of assessment of the classes and subclasses of real property in the county.

(4) In addition to an opinion of level of value and quality of assessment in the county, the Property Tax Administrator may make nonbinding recommendations for consideration by the commission.

(5) The Property Tax Administrator shall employ the methods specified in section 77-112, the comprehensive assessment ratio study specified in section 77-1327, other statistical studies, and an analysis of the assessment practices employed by the county assessor. If necessary to determine the level of value and quality of assessment in a county, the Property Tax Administrator may use sales of comparable real property in market areas similar to the county or area in question or from another county as indicators of the level of value and the quality of assessment in a county. The Property Tax Administrator may use any other relevant information in providing the annual reports and opinions to the commission.

If the resulting amount is not a multiple of twenty-five thousand dollars, the amount shall be rounded to the next lowest twenty-five thousand dollars.

(2) A qualified beginning farmer or livestock producer who has participated in a board approved and certified three-year rental agreement with an owner of agricultural assets shall not be eligible to file a subsequent application with the board but may refer to the board for additional support and participate in programs, including educational and financial programs and seminars, established or recommended by the board that are applicable to the continued success of such farmer or livestock producer.

**77-5209.02. Personal property tax exemption; authorized; application; form; county assessor; duties; protest; hearing; appeal; continuation of exemption.** (1) Agricultural and horticultural machinery and equipment of a qualified beginning farmer or livestock producer utilized in the beginning farmer's or livestock producer's operation may be exempt from tangible personal property tax to the extent provided in this section.

(2) A qualified beginning farmer or livestock producer seeking an exemption of taxable agricultural and horticultural machinery and equipment from tangible personal property tax under this section shall apply for an exemption to the county assessor on or before December 31 of the year preceding the year for which the exemption is to begin. Application shall be on forms prescribed by the Tax Commissioner. For the initial year of application, an applicant shall provide the original documentation of certification provided by the board pursuant to section 77-5208 with the application. Failure to provide the required documentation shall result in a denial of the exemption for the following year but shall be considered as an application for the year thereafter.

(3) The county assessor shall approve or deny the application for exemption. On or before February 1, the county assessor shall issue notice of approval or denial to the applicant. If the application is approved, the county assessor shall exempt no more than one hundred thousand dollars of taxable value of agricultural or horticultural machinery and equipment for each year. If the application is denied by the county assessor, a written protest of the denial of the application may be filed within thirty days after the mailing of the denial to the county board of equalization.

(4) All provisions of section 77-1502 except dates for filing of a protest, the period for hearing protests, and the date for mailing notice of the county board of equalization's decision are applicable to any protest filed pursuant to this section. The county clerk shall mail a copy of any decision made by the county board of equalization on a protest filed pursuant to this section to the applicant within seven days after the board's decision. Any decision of the county board of equalization may be appealed to the Tax Equalization and Review Commission, in accordance with section 77-5013, within thirty days after the date of the decision. Any applicant may petition the Tax Equalization and Review Commission in accordance with section 77-5013, on or before December 31 of each year, to determine whether the agricultural and horticultural machinery and equipment will receive the exemption for that year if a failure to give notice as prescribed by this section prevented timely filing of a protest or appeal provided for in this section.

(5) A properly granted exemption for taxable agricultural and horticultural machinery and equipment under this section shall continue for a period of three years if each year a Nebraska personal property tax return and supporting schedules and depreciation worksheet, showing a list and value of all taxable tangible personal property, are provided and filed by the beginning farmer or livestock producer with the county assessor when due. The value of taxable agricultural and horticultural machinery and equipment exempted in any year shall not exceed one hundred thousand dollars. The exemption allowed under this section shall continue irrespective of whether the person claiming the exemption no longer meets the qualification of a beginning farmer or livestock producer pursuant to section 77-5209 during the exemption period unless the beginning farmer or livestock producer discontinues farming or livestock production.

(6) Any person whose agricultural and horticultural machinery and equipment has been exempted from tangible personal property tax pursuant to this section shall be permanently disqualified from any further exemption of agricultural and horticultural machinery and equipment from tangible personal property tax as a qualified beginning farmer or livestock producer.

Analyst and the Clerk of the Legislature shall be submitted electronically. Each member of the Legislature shall receive an electronic copy of such report by request to the chairperson of the board. Each report shall include the following information:

No information furnished to the board shall be disclosed in the report in such a way as to reveal information from a tax return of any person.

**Source:** Laws 1999, LB 630, § 11; Laws 2000, LB 1223, § 6; Laws 2012, LB782, § 141.

**77-5211. Owner of agricultural assets; tax credit; when.** (1) Except as otherwise disallowed under subsection (5) of this section, an owner of agricultural assets shall be allowed a credit to be applied against the state income tax liability of such owner for agricultural assets rented on a rental agreement basis, including cash rent of agricultural assets or cash equivalent of a share-rent rental, to qualified beginning farmers or livestock producers. Such asset shall be rented at prevailing community rates as determined by the board.

(2) The credit allowed shall be for renting agricultural assets used for farming or livestock production. Such credit shall be granted by the Department of Revenue only after approval and certification by the board and a written three-year rental agreement for such assets is entered into between an owner of agricultural assets and a qualified beginning farmer or livestock producer. An owner of agricultural assets or qualified beginning farmer or livestock producer may terminate such agreement for reasonable cause upon approval by the board. If an agreement is terminated without fault on the part of the owner of agricultural assets as determined by the board, the tax credit shall not be retroactively disallowed. If an agreement is terminated with fault on the part of the owner of agricultural assets as determined by the board, any prior tax credits claimed by such owner shall be disallowed and recaptured and shall be immediately due and payable to the State of Nebraska.

(3) A credit may be granted to an owner of agricultural assets for renting agricultural assets, including cash rent of agricultural assets or cash equivalent of a share-rent agreement, to any qualified beginning farmer or livestock producer for a period of three years. An owner of agricultural assets shall not be eligible for further credits under the Beginning Farmer Tax Credit Act unless the rental agreement is terminated prior to the end of the three-year period through no fault of the owner of agricultural assets. If the board finds that such a termination was not the fault of the owner of agricultural assets, it may approve the owner for credits arising from a subsequent qualifying rental agreement with a different qualified beginning farmer or livestock producer.

(4) Any credit allowable to a partnership, a corporation, a limited liability company, or an estate or trust may be distributed to the partners, members, shareholders, or beneficiaries. Any credit distributed shall be distributed in the same manner as income is distributed.

(5) The credit allowed under this section shall not be allowed to an owner of agricultural assets for a rental agreement with a beginning farmer or livestock producer who is a relative, as defined in section 36-702, of the owner of agricultural assets or of a partner, member, shareholder, or trustee of the owner of agricultural assets unless the rental agreement is included in a written succession plan. Such succession plan shall be in the form of a written contract or other instrument legally binding the parties to a process and timetable for the transfer of agricultural assets from the owner of agricultural assets to the beginning farmer or livestock producer. The succession plan shall provide for the transfer of assets to be completed within a period of no longer than thirty years, except that when the asset to be transferred is land owned by an individual, the period of transfer may be for a period up to the date of death of the owner. The owner of agricultural assets shall be

allowed the credit provided for qualified rental agreements under this section if the board certifies the plan as providing a reasonable manner and probability of successful transfer.

**77-5212. Rental agreement; requirements; appeal.** In evaluating a rental agreement between an owner of agricultural assets and a qualified beginning farmer or livestock producer, the board shall not approve and certify credit for an owner of agricultural assets who (1) has, with fault, terminated a prior board approved and certified rental agreement with a qualified beginning farmer or livestock producer or (2) is proposing a rental agreement of agricultural assets which, if rented to a qualified beginning farmer or livestock producer, would cause the lessee to be responsible for managing or maintaining a farm which, based on the discretion of the board, is of greater scope and scale than necessary for a viably sized farm as established by the guidelines implemented by the board in order to adequately support a beginning farmer or livestock producer. Any person aggrieved by a decision of the board may appeal the decision, and the appeal shall be in accordance with the Administrative Procedure Act.

Tax credits shall only be approved and certified for rental agreements that are approved and certified by the board under the Beginning Farmer Tax Credit Act.

(2) To qualify for the greater rate of credit allowed under subdivision (1)(b) of this section, a share-rent agreement shall provide for sharing of production expenses or risk of loss, or both, between the agricultural asset owner and the qualified beginning farmer or livestock producer. The board may adopt and promulgate rules and regulations, consistent with the policy objectives of the act, to further define the standards that share-rent agreements shall meet for approval and certification of the tax credit under the act.

(3) The board shall review each existing three-year rental agreement between a beginning farmer or livestock producer and an owner of agricultural assets on a semiannual basis and shall either certify or terminate program eligibility for beginning farmers or livestock producers or tax credits granted to owners of agricultural assets on an annual basis.

(b) Sufficient documents, plans, and specifications as required by the Tax Commissioner to support the plan and to define a project;

(c) If more than one location within this state is involved, sufficient documentation to show that the employment and investment at different locations are interdependent parts of the plan. A headquarters shall be presumed to be interdependent with each other location directly controlled by such headquarters. A showing that the parts of the plan would be considered parts of a unitary business for corporate income tax purposes shall not be sufficient to show interdependence for the purposes of this subdivision;

(d) A nonrefundable application fee of one thousand dollars for a tier 1 project, two thousand five hundred dollars for a tier 2, tier 3, or tier 5 project, five thousand dollars for a tier 4 project, and ten thousand dollars for a tier 6 project. The fee shall be credited to the Nebraska Incentives Fund; and  
(e) A timetable showing the expected sales tax refunds and what year they are expected to be claimed. The timetable shall include both direct refunds due to investment and credits taken as sales tax refunds as accurately as possible.

The application and all supporting information shall be confidential except for the name of the taxpayer, the location of the project, the amounts of increased employment and investment, and the information required to be reported by sections 77-5731 and 77-5734.

(3) An application must be complete to establish the date of the application. An application shall be considered complete once it contains the items listed in subsection (2) of this section, regardless of the Tax Commissioner's additional needs pertaining to information or clarification in order to approve or not approve the application.

(4) Once satisfied that the plan in the application defines a project consistent with the purposes stated in the Nebraska Advantage Act in one or more qualified business activities within this state, that the taxpayer and the plan will qualify for benefits under the act, and that the required levels of employment and investment for the project will be met prior to the end of the fourth year after the year in which the application was submitted for a tier 1, tier 3, or tier 6 project or the end of the sixth year after the year in which the application was submitted for a tier 2, tier 4, or tier 5 project, the Tax Commissioner shall approve the application. For a tier 5 project that is sequential to a tier 2 large data center project, the required level of investment shall be met prior to the end of the fourth year after the expiration of the tier 2 large data center project entitlement period relating to direct sales tax refunds.

(5) The Tax Commissioner shall make his or her determination to approve or not approve an application within one hundred eighty days after the date of the application. If the Tax Commissioner requests, by mail or by electronic means, additional information or clarification from the taxpayer in order to make his or her determination, such one-hundred-eighty-day period shall be tolled from the time the Tax Commissioner makes the request to the time he or she receives the requested information or clarification from the taxpayer. The taxpayer and the Tax Commissioner may also agree to extend the one-hundred-eighty-day period. If the Tax Commissioner fails to make his or her determination within the prescribed one-hundred-eighty-day period, the application shall be deemed approved.

(6) Within one hundred eighty days after approval of the application, the Tax Commissioner shall prepare and mail a written agreement to the taxpayer for the taxpayer's signature. The taxpayer and the Tax Commissioner shall enter into a written agreement. The taxpayer shall agree to complete the project, and the Tax Commissioner, on behalf of the State of Nebraska, shall designate the approved plan of the taxpayer as a project and, in consideration of the taxpayer's agreement, agree to allow the taxpayer to use the incentives contained in the Nebraska Advantage Act. The application, and all supporting documentation, to the extent approved, shall be considered a part of the agreement. The agreement shall state:

(a) The levels of employment and investment required by the act for the project;  
(b) The time period under the act in which the required levels must be met;  
(c) The documentation the taxpayer will need to supply when claiming an incentive under the act;  
(d) The date the application was filed; and  
(e) A requirement that the company update the Department of Revenue annually on any changes in plans or circumstances which affect the timetable of sales tax refunds as set out in the application. If the company fails to comply with this requirement, the Tax Commissioner may defer any pending sales tax refunds until the company does comply.

(7) The incentives contained in section 77-5725 shall be in lieu of the tax credits allowed by the Nebraska Advantage Rural Development Act for any project. In computing credits under the act,

any investment or employment which is eligible for benefits or used in determining benefits under the Nebraska Advantage Act shall be subtracted from the increases computed for determining the credits under section 77-27,188. New investment or employment at a project location that results in the meeting or maintenance of the employment or investment requirements, the creation of credits, or refunds of taxes under the Employment and Investment Growth Act shall not be considered new investment or employment for purposes of the Nebraska Advantage Act. The use of carryover credits under the Employment and Investment Growth Act, the Invest Nebraska Act, the Nebraska Advantage Rural Development Act, or the Quality Jobs Act shall not preclude investment and employment from being considered new investment or employment under the Nebraska Advantage Act. The use of property tax exemptions at the project under the Employment and Investment Growth Act shall not preclude investment not eligible for the property tax exemption from being considered new investment under the Nebraska Advantage Act.

(8) A taxpayer and the Tax Commissioner may enter into agreements for more than one project and may include more than one project in a single agreement. The projects may be either sequential or concurrent. A project may involve the same location as another project. No new employment or new investment shall be included in more than one project for either the meeting of the employment or investment requirements or the creation of credits. When projects overlap and the plans do not clearly specify, then the taxpayer shall specify in which project the employment or investment belongs.

(9) The taxpayer may request that an agreement be modified if the modification is consistent with the purposes of the act and does not require a change in the description of the project. An agreement may not be modified to a tier that would grant a higher level of benefits to the taxpayer or to a tier 1 project. Once satisfied that the modification to the agreement is consistent with the purposes stated in the act, the Tax Commissioner and taxpayer may amend the agreement. For a tier 6 project, the taxpayer must agree to limit the project to qualified activities allowable under tier 2 and tier 4.

**77-5726. Credits; use; refund claims; procedures; interest; appointment of purchasing agent; protest; appeal.** (1)(a) The credits prescribed in section 77-5725 for a year shall be established by filing the forms required by the Tax Commissioner with the income tax return for the taxable year which includes the end of the year the credits were earned. The credits may be used and shall be applied in the order in which they were first allowed. The credits may be used after any other nonrefundable credits to reduce the taxpayer's income tax liability imposed by sections 77-2714 to 77-27,135. Credits may be used beginning with the taxable year which includes December 31 of the year the required minimum levels were reached. The last year for which credits may be used is the taxable year which includes December 31 of the last year of the carryover period. Any decision on how part of the credit is applied shall not limit how the remaining credit could be applied under this section.

(b) The taxpayer may use the credit provided in subsection (3) of section 77-5725 to reduce the taxpayer's income tax withholding employer or payor tax liability under section 77-2756 or 77-2757 to the extent such liability is attributable to the number of new employees at the project, excluding any compensation in excess of one million dollars paid to any one employee during the year. The taxpayer may use the credit provided in subsection (4) of section 77-5725 to reduce the taxpayer's income tax withholding employer or payor tax liability under section 77-2756 or 77-2757 to the extent such liability is attributable to all employees employed at the project, other than base-year employees and excluding any compensation in excess of one million dollars paid to any one employee during the year. To the extent of the credit used, such withholding shall not constitute public funds or state tax revenue and shall not constitute a trust fund or be owned by the state. The use by the taxpayer of the credit shall not change the amount that otherwise would be reported by the taxpayer to the employee under section 77-2754 as income tax withheld and shall not reduce the amount that otherwise would be allowed by the state as a refundable credit on an employee's income tax return as income tax withheld under section 77-2755.

For a tier 1, tier 2, tier 3, or tier 4 project, the amount of credits used against income tax withholding shall not exceed the withholding attributable to new employees employed at the project, excluding any compensation in excess of one million dollars paid to any one employee during the year.

For a tier 6 project, the amount of credits used against income tax withholding shall not exceed the withholding attributable to all employees employed at the project, other than base-year employees and excluding any compensation in excess of one million dollars paid to any one employee during the year.

If the amount of credit used by the taxpayer against income tax withholding exceeds this amount, the excess withholding shall be returned to the Department of Revenue in the manner provided in section 77-2756, such excess amount returned shall be considered unused, and the amount of unused credits may be used as otherwise permitted in this section or shall carry over to the extent authorized in subdivision (1)(e) of this section.

(c) Credits may be used to obtain a refund of sales and use taxes under the Local Option Revenue Act, the Nebraska Revenue Act of 1967, and sections 13-319, 13-324, and 13-2813 which are not otherwise refundable that are paid on purchases, including rentals, for use at the project for a tier 1, tier 2, tier 3, or tier 4 project or for use within this state for a tier 2 large data center project or a tier 6 project.

(d) The credits earned for a tier 6 project may be used to obtain a payment from the state equal to the real property taxes due after the year the required levels of employment and investment were met and before the end of the carryover period, for real property that is included in such project and acquired by the taxpayer, whether by lease or purchase, after the date the application was filed. Once the required levels of employment and investment for a tier 2 large data center project have been met, the credits earned for a tier 2 large data center project may be used to obtain a payment from the state equal to the real property taxes due after the year of application and before the end of the carryover period, for real property that is included in such project and acquired by the taxpayer, whether by lease or purchase, after the date the application was filed. The payment from the state shall be made only after payment of the real property taxes have been made to the county as required by law. Payments shall not be allowed for any taxes paid on real property for which the taxes are divided under section 18-2147 or 58-507.

(e) Credits may be carried over until fully utilized, except that such credits may not be carried over more than nine years after the year of application for a tier 1 or tier 3 project, fourteen years after the year of application for a tier 2 or tier 4 project, or more than one year past the end of the entitlement period for a tier 6 project.

(2)(a) No refund claims shall be filed until after the required levels of employment and investment have been met.

(b) Refund claims shall be filed no more than once each quarter for refunds under the Nebraska Advantage Act, except that any claim for a refund in excess of twenty-five thousand dollars may be filed at any time.

(c) Refund claims for materials purchased by a purchasing agent shall include:

(i) A copy of the purchasing agent appointment;

(ii) The contract price; and

(iii)(A) For refunds under subdivision (2)(a)(iii) or (2)(a)(v) of section 77-5725, a certification by the contractor or repairperson of the percentage of the materials incorporated into or annexed to the project on which sales and use taxes were paid to Nebraska after appointment as purchasing agent; or

(B) For refunds under subdivision (2)(a)(iv) of section 77-5725, a certification by the contractor or repairperson of the percentage of the contract price that represents the cost of materials annexed to the project and the percentage of the materials annexed to the project on which sales and use taxes were paid to Nebraska after appointment as purchasing agent.

(d) All refund claims shall be filed, processed, and allowed as any other claim under section 77-2708, except that the amounts allowed to be refunded under the Nebraska Advantage Act shall be deemed to be overpayments and shall be refunded notwithstanding any limitation in subdivision (2)(a) of section 77-2708. The refund may be allowed if the claim is filed within three years from the end of the year the required levels of employment and investment are met or within the period set forth in section 77-2708.

(e) If a claim for a refund of sales and use taxes under the Local Option Revenue Act or sections 13-319, 13-324, and 13-2813 of more than twenty-five thousand dollars is filed by June 15 of a given year, the refund shall be made on or after November 15 of the same year. If such a claim is filed on or after June 16 of a given year, the refund shall not be made until on or after November 15 of the following year. The Tax Commissioner shall notify the affected city, village, county, or municipal county of the amount of refund claims of sales and use taxes under the Local Option Revenue Act

or sections 13-319, 13-324, and 13-2813 that are in excess of twenty-five thousand dollars on or before July 1 of the year before the claims will be paid under this section.

(f) Interest shall not be allowed on any taxes refunded under the Nebraska Advantage Act.

(3) The appointment of purchasing agents shall be recognized for the purpose of changing the status of a contractor or repairperson as the ultimate consumer of tangible personal property purchased after the date of the appointment which is physically incorporated into or annexed to the project and becomes the property of the owner of the improvement to real estate or the taxpayer. The purchasing agent shall be jointly liable for the payment of the sales and use tax on the purchases with the owner of the property.

(4) A determination that a taxpayer is not engaged in a qualified business or has failed to meet or maintain the required levels of employment or investment for incentives, exemptions, or recapture may be protested within sixty days after the mailing of the written notice of the proposed determination. If the notice of proposed determination is not protested within the sixty-day period, the proposed determination is a final determination. If the notice is protested, the Tax Commissioner shall issue a written order resolving such protests. The written order of the Tax Commissioner resolving a protest may be appealed to the district court of Lancaster County within thirty days after the issuance of the order.

**77-5727. Recapture or disallowance of incentives.** (1)(a) If the taxpayer fails either to meet the required levels of employment or investment for the applicable project by the end of the fourth year after the end of the year the application was submitted for a tier 1, tier 3, or tier 6 project or by the end of the sixth year after the end of the year the application was submitted for a tier 2, tier 4, or tier 5 project or to utilize such project in a qualified business at employment and investment levels at or above those required in the agreement for the entire entitlement period, all or a portion of the incentives set forth in the Nebraska Advantage Act shall be recaptured or disallowed.

(b) In the case of a taxpayer who has failed to meet the required levels of investment or employment within the required time period, all reduction in the personal property tax because of the act shall be recaptured.

(2) In the case of a taxpayer who has failed to maintain the project at the required levels of employment or investment for the entire entitlement period, any reduction in the personal property tax, any refunds in tax allowed under subsection (2) of section 77-5725, and any refunds or reduction in tax allowed because of the use of a credit allowed under section 77-5725 shall be partially recaptured from either the taxpayer or the owner of the improvement to real estate and any carryovers of credits shall be partially disallowed. The amount of the recapture shall be a percentage equal to the number of years the taxpayer did not maintain the project at or above the required levels of investment and employment divided by the number of years of the project's entitlement period multiplied by the refunds allowed, reduction in personal property tax, the credits used, and the remaining carryovers. In addition, the last remaining year of personal property tax exemption shall be disallowed for each year the taxpayer did not maintain such project at or above the required levels of employment or investment.

(3) In the case of a taxpayer qualified under tier 5 who has failed to maintain the average number of equivalent employees at the project at the end of the six years following the year the taxpayer attained the required amount of investment, any refunds in tax allowed under subsection (2) of section 77-5725 or any reduction in the personal property tax under section 77-5725 shall be partially recaptured from the taxpayer. The amount of recapture shall be the total amount of refunds and reductions in tax allowed for all years times the reduction in the average number of equivalent

employees employed at the end of the entitlement period from the number of equivalent employees employed in the base year divided by the number of equivalent employees employed in the base year. For purposes of this subsection, the average number of equivalent employees shall be calculated at the end of the entitlement period by adding the number of equivalent employees in the year the taxpayer attains the required level of investment and each of the next following six years and dividing the result by seven.

(4) If the taxpayer receives any refunds or reduction in tax to which the taxpayer was not entitled or which were in excess of the amount to which the taxpayer was entitled, the refund or reduction in tax shall be recaptured separate from any other recapture otherwise required by this section. Any amount recaptured under this subsection shall be excluded from the amounts subject to recapture under other subsections of this section.

(5) Any refunds or reduction in tax due, to the extent required to be recaptured, shall be deemed to be an underpayment of the tax and shall be immediately due and payable. When tax benefits were received in more than one year, the tax benefits received in the most recent year shall be recovered first and then the benefits received in earlier years up to the extent of the required recapture.

(6)(a) Except as provided in subdivision (6)(b) of this section, any personal property tax that would have been due except for the exemption allowed under the Nebraska Advantage Act, to the extent it becomes due under this section, shall be considered delinquent and shall be immediately due and payable to the county or counties in which the property was located when exempted.

(b) For a tier 2 large data center project, any personal property tax that would have been due except for the exemption under the Nebraska Advantage Act, together with interest at the rate provided in section 45-104.01 from the original delinquency date of the tax that would have been due until the date paid, to the extent it becomes due under this section, shall be considered delinquent and shall be immediately payable to the county or counties in which the property was located when exempted.

(c) All amounts received by a county under this section shall be allocated to each taxing unit levying taxes on tangible personal property in the county in the same proportion that the levy on tangible personal property of such taxing unit bears to the total levy of all of such taxing units.

(7) Notwithstanding any other limitations contained in the laws of this state, collection of any taxes deemed to be underpayments by this section shall be allowed for a period of three years after the end of the entitlement period.

(8) Any amounts due under this section shall be recaptured notwithstanding other allowable credits and shall not be subsequently refunded under any provision of the Nebraska Advantage Act unless the recapture was in error.

(9) The recapture required by this section shall not occur if the failure to maintain the required levels of employment or investment was caused by an act of God or national emergency.

(a) Any credit allowable to a partnership, a limited liability company, a subchapter S corporation, a cooperative, including a cooperative exempt under section 521 of the Internal Revenue Code of 1986, as amended, a limited cooperative association, or an estate or trust may be distributed to the partners, members, shareholders, patrons, or beneficiaries in the same manner as income is distributed for use against their income tax liabilities, and such partners, members, shareholders, or beneficiaries shall be deemed to have made an underpayment of their income taxes for any recapture required by section 77-5727. A credit distributed shall be considered a credit used and the partnership, limited liability company, subchapter S corporation, cooperative, including a cooperative exempt under section 521 of the Internal Revenue Code of 1986, as amended, a limited

cooperative association, estate, or trust shall be liable for any repayment required by section 77-5727; and

(b) The incentives previously allowed and the future allowance of incentives may be transferred when a project covered by an agreement is transferred in its entirety by sale or lease to another taxpayer or in an acquisition of assets qualifying under section 381 of the Internal Revenue Code of 1986, as amended.

(2) The acquiring taxpayer, as of the date of notification of the Tax Commissioner of the completed transfer, shall be entitled to any unused credits and to any future incentives allowable under the act.

(3) The acquiring taxpayer shall be liable for any recapture that becomes due after the date of the transfer for the repayment of any benefits received either before or after the transfer.

(4) If a taxpayer operating a project and allowed a credit under the act dies and there is a credit remaining after the filing of the final return for the taxpayer, the personal representative shall determine the distribution of the credit or any remaining carryover with the initial fiduciary return filed for the estate. The determination of the distribution of the credit may be changed only after obtaining the permission of the Tax Commissioner.

(5) The Department of Revenue may disclose information to the acquiring taxpayer about the project and prior benefits that is reasonably necessary to determine the future incentives and liabilities of the project.

**77-6202. Terms, defined.**

**77-6203. Nameplate capacity tax; annual payment; exemptions; Department of Revenue; duties; owner; file report; interest; penalties.**

**77-6204. County treasurer; distribute revenue; calculation.**

**77-6201. Legislative findings and declarations.** The Legislature finds and declares:

- (1) The purpose of the nameplate capacity tax levied under section 77-6203 is to replace property taxes currently imposed on wind infrastructure and depreciated over a short period of time in a way that causes local budgeting challenges and increases upfront costs for wind developers;
- (2) The nameplate capacity tax should be competitive with taxes imposed directly and indirectly on wind generation and development in other states;
- (3) The nameplate capacity tax should be fair and nondiscriminatory when compared with other taxes imposed on other industries in the state; and
- (4) The nameplate capacity tax should not be singled out as a source of General Fund revenue during times of economic hardship.

**Source:** Laws 2010, LB1048, § 12.

**77-6202. Terms, defined.** For purposes of sections 77-6201 to 77-6204:

- (1) Commissioned means the wind turbine of a wind generation facility has been in commercial operation for at least twenty-four hours. A wind turbine is not in commercial operation unless the wind energy generation facility is connected to the electrical grid;
- (2) Nameplate capacity means the capacity of a wind turbine to generate electricity as measured in megawatts, including fractions of a megawatt; and
- (3) Wind energy generation facility means a facility that generates electricity using wind as the fuel source.

**Source:** Laws 2010, LB1048, § 13.

**77-6203. Nameplate capacity tax; annual payment; exemptions; Department of Revenue; duties; owner; file report; interest; penalties.** (1) The owner of a wind energy generation facility annually shall pay a nameplate capacity tax equal to the total nameplate capacity of the commissioned wind turbine of the wind energy generation facility multiplied by a tax rate of three thousand five hundred eighteen dollars per megawatt.

(2) No tax shall be imposed on a wind energy generation facility:

(a) Owned or operated by the federal government, the State of Nebraska, a public power district, a public power and irrigation district, an individual municipality, a registered group of municipalities, an electric membership association, or a cooperative; or

(b) That is a customer-generator as defined in section 70-2002.

(3) No tax levied pursuant to this section shall be construed to constitute restricted funds as defined in section 13-518 for the first five years after the wind energy generation facility is commissioned.

(4) The presence of one or more wind energy generation facilities or supporting infrastructure shall not be a factor in the assessment, determination of actual value, or classification under section 77-201 of the real property underlying or adjacent to such facilities or infrastructure.

(5)(a) The Department of Revenue shall collect the tax due under this section.

(b) The tax shall be imposed beginning the first calendar year the wind turbine is commissioned. A wind energy generation facility commissioned prior to July 15, 2010, shall be subject to the tax levied pursuant to sections 77-6201 to 77-6204 on and after January 1, 2010. The amount of

property tax on depreciable tangible personal property previously paid on a wind energy generation facility commissioned prior to July 15, 2010, which is greater than the amount that would have been paid pursuant to sections 77-6201 to 77-6204 from the date of commissioning until January 1, 2010, shall be credited against any tax due under Chapter 77, and any amount so credited that is unused in any tax year shall be carried over to subsequent tax years until fully utilized.

(c)(i) The tax for the first calendar year shall be prorated based upon the number of days remaining in the calendar year after the wind turbine is commissioned.

(ii) In the first year in which a wind energy generation facility is taxed or in any year in which additional commissioned nameplate capacity is added to a wind energy generation facility, the taxes on the initial or additional nameplate capacity shall be prorated for the number of days remaining in the calendar year.

(iii) When a wind turbine is decommissioned or made nonoperational by a change in law or decertification from its status as a certified renewable export facility during a tax year, the taxes shall be prorated for the number of days during which the wind turbine was not decommissioned or was operational.

(iv) When the capacity of a wind turbine to produce electricity is reduced but the wind turbine is not decommissioned, the nameplate capacity of the wind turbine is deemed to be unchanged.

(6)(a) On March 1 of each year, the owner of a wind energy generation facility shall file with the Department of Revenue a report on the nameplate capacity of the facility for the previous year from January 1 through December 31. All taxes shall be due on April 1 and shall be delinquent if not paid on a quarterly basis on April 1 and each quarter thereafter. Delinquent quarterly payments shall draw interest at the rate provided for in section 45-104.02, as such rate may from time to time be adjusted.

(b) The owner of a wind energy generation facility is liable for the taxes under this section with respect to the facility, whether or not the owner of the facility is the owner of the land on which the facility is situated.

(7) Failure to file a report required by subsection (6) of this section, filing such report late, failure to pay taxes due, or underpayment of such taxes shall result in a penalty of five percent of the amount due being imposed for each quarter the report is overdue or the payment is delinquent, except that the penalty shall not exceed ten thousand dollars.

(8) The Department of Revenue shall enforce the provisions of this section. The department shall adopt and promulgate rules and regulations necessary for the implementation and enforcement of this section.

(9) The Department of Revenue shall separately identify the proceeds from the tax imposed by this section and shall pay all such proceeds over to the county treasurer of the county where the wind energy generation facility is located within thirty days after receipt of such proceeds.

**77-6204. County treasurer; distribute revenue; calculation.** (1) The county treasurer shall distribute all revenue received from the Department of Revenue pursuant to section 77-6203 to local taxing entities which, but for such personal property tax exemption, would have received distribution of personal property tax revenue from depreciable personal property used directly in the generation of electricity using wind as the fuel source.

(2) A local taxing entity's status as eligible for distribution under subsection (1) of this section shall not be affected when and if the net book value of personal property used directly in the generation of electricity using wind as the fuel source becomes zero. A local taxing entity's status as eligible for distribution under such subsection shall be affected by the disposal of all of the exempt depreciable personal property used directly in the generation of electricity using wind as the fuel source.

(3) The distribution to each eligible local taxing entity shall be calculated by determining the amount of taxes that the eligible local taxing entity levied during the taxable year and dividing this amount by the total tax levied by all of the eligible local taxing entities during the year. Each eligible entity's resulting fraction shall then be multiplied by the revenue distributed to the county treasurer by the department to determine the portion of such revenue due each local taxing entity.

(4) The Department of Revenue shall not retain any revenue collected pursuant to sections 77-6201 to 77-6204 for distribution, use, transfer, pledge, or allocation to or from the General Fund.
